Hi everyone, I just finished a nice fish dinner courtesy of our $\frac{3}{4}$ day fishing trip on August 20th. **Ron Parker** and yours truly also got to sing several courses of "the one that got away".

Saltwater Fishing continues to be great all along the California coast. Tuna and yellowtail are being caught on half day boats and the extended day trips. Salmon are also in the catch reports in the Northern California. I joined a couple of club members and we fished at Shelter Cove. Our sacks included Dungeness crab and Salmon.

The Club nominating committee, **Cheryl Brandstrom, Anitra Gehrke and Karen Taylor** are seeking members to help out on our Board next year. **Our club is so successful and provides many great activities and memories as the result of everyone participating**. Please contact them if you would be willing to serve on the board.

While on the $\frac{3}{4}$ day trip, I heard many great things about our picnic, thank you **Monique and Tony Smock** for hosting this great event.

Upcoming Club activities include the Club Fish Fry on September 3, 2015 at Dixon Lake. **Brenda McQueen** is leading this always tasty activity. The club could also use fish donations for our fish fry. The June Lake (Pine Cliff) outing and Lake Cuyamaca are coming up. Please signup for these events at our August 14th meeting.

SALT WATER TRIPS

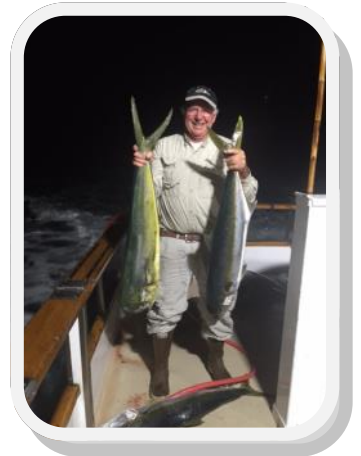

I want to thank everyone who made our 3/4 day trips a success by signing up and filling our boats. Our last trip scheduled for Aug 24th is full with standbys. We have caught tuna only 5 miles off shore and enough bass for our fish fry. Way to go everyone!! Here's some pics from the July trip.

Jim Stevenson caught a very nice 20# yellowtail on a 1 1/2 day trip on the Voyager. The 80-90# tuna were boiling everywhere, but not hungry. There were several hundred dolphin jumping 8-10 feet high doing flips and putting on quite a show. Really a beautiful natural Nature Show.

SURF FISHING (From Don Continelli)

Henry Skaja, Gary Farrar, Ken Harrison and I would like you to join us at the August 2015 Surf Fishing Outing on August 18. We'll meet at Angelos, across the coast highway from Pacific Bait and Tackle (PBT) for breakfast at 7:00 AM. Then we'll consult with the folks at PBT on where to go. We'll be fishing the incoming tide. Car pool if you can, because parking anywhere along the coast during summer is a challenge.

OTHER TRIPS

The Cabo trip is full and should be a perfect time to go. We can take alternates.

The Asia trip is still open if anyone wants to go. However, it won't be for long since April is cherry blossom time in Japan.

Gerry Graf has a few openings on his Alaska trips next year. Ask him about these great trips.

Get out and fish. We probably won't see another year like this for a long time.

Barbara Gattuso
Saltwater Vice President

SHELTER COVE FISHING

I joined two other club members **Ron Casapulla** and **Lee Wood** and three members from the Oceanside Senior Anglers club on a July trip to Shelter Cove, California. Shelter Cove is in Humboldt County and is a small community of about 800 residents.

We fished three days with a local captain the group has used before. Our fishing period was just before the commercial boats could start their season. Each afternoon we packaged and vacuumed sealed our catch before freezing.

We caught our Salmon limits on two days. Rock fish and Ling Cod also graced our sacks. The other great catch was Dungeness crab. These guys were nice size and really tasty.

COMMUNITY EVENTS

Escondido City Trout Derby

The city Trout Derby is scheduled for Saturday November the 7th through Wednesday the 11th, which is Veteran's Day. Because of the 5 day derby I have asked for a volunteer Captain for each day of the derby. The following volunteers have stepped forward: Saturday the 7th Larry Jauert, Sunday the 8th Jim Stevenson, Monday the 9th Cheryl Brandstrom, Tuesday the 10th Tony Smock and Wednesday the 11th Ron Parker. Thanks for volunteering everyone and signups will start at the August meeting. Remember we'll be assisting at the Kiddy Ponds on Saturday and Sunday.

Eagle Scout Community Project

A young man working on the path to the Eagle Scout Award has contacted me about the possibility of designing his Eagle Scout Community Project related to fishing. I have contacted the Superintendent of Escondido Lakes and Open Spaces for advice and guidance and we have scheduled a round table to listen this Boy Scout's ideas and offer help in his decision. By the way several Eagle Scout Projects have been executed and completed at our community lakes and parks. Will keep you posted on the progress and will no doubt be requesting some of our membership's expertise as the description of this young man's project is defined and the specifications finalized. I introduced this young man and his parents our July meeting.

Have a great summer, enjoy your family, do lots of fishing and be safe. Thanks again for supporting our Community Events. Hope to see you at our next meeting.

Catch you later,

Ron Parker
