

HOOK LINE AND SINKER

PRESIDENT'S REPORT

We just arrived home from the Lake Cahuilla having stayed an extra 6 days, you name it; we had it.

We arrived 2 days early, which provided us with sunny warm weather and limits of fish.

Then came the rains. I do not know about you, but I never had any luck fishing in the rain. It is not to say we did not try. Umbrellas, rain jackets and waterproof pants and fishing poles.

What a sight! We finally had our first campfire on Saturday.

It's not to say we didn't have any fun, because we always do, whether is fishing, sharing meals in the RVs or playing cards.

Anitra and I got a chance to explore our "new" Class A.

In addition, we have two trips planned between the February and March meetings.

The first is to Lake Morena, where Stan Kieniewicz caught that record setting 13+ pounds trout last year.

Lake Santee trip Sunday March 14 - Thurs. March 18 (4 nights) We must send reservations by the end of the General Meeting on March 19. It's close by and should be a lot of fun and good fishing. We have access to the meeting room all 4 days.

It is a new place for our club. We have explored it. The camping is really nice.

There are seven lakes with three having a trout plant only a couple of days before our arrival.

Hope to see you there!

YOUTH DAY AT LAKE DIXON 2010

Thanks to all that signed up to help at this year's Youth Day at Lake Dixon 2010. It's scheduled for **Saturday March 13th** at Lake Dixon from 8:00AM until 1:30PM. **It's still not too late to sign up**, we'll have the list at the February 19th meeting and we do have all sorts of various things that have to be done.

As mentioned at the meeting and in January's newsletter we need anglers to assist the kids fishing, cooks, servers, people to help cleanup, miscellaneous items we forgot and some to just help eat some of those hamburgers and hotdogs.

This will be the **Third Annual Youth Day at Lake Dixon** pairing with the **YMCA** and with the help of the **Lake Dixon Rangers** we will have another successful outing for the kids. If you have any questions or want to get involved at any capacity just give me a call or send me an email.

Thanks everyone!

Catch you later,

Ron

Trip Report Lake Cahuilla, Jan. 18 to 25

This was our first campout this year, hosted by Mac and Linda McGregor. We had 11 rigs, 22 members in attendance. Though we had a lot of rain (didn't everyone?), we still had a good time and got in a lot of fishing. The ladies did manage a field trip to Monica's Quilt and Bead shop.

Most of the mornings were dry with the rain mostly in the afternoons and evenings. That made the potlucks and campfires tough and we only had one potluck, but it was great spaghetti feed. Fishing was so-so with 49 trout caught during our week, and a few more by people before and after. Frank Potter wandered down to the lake one morning to fish for about a half hour and landed the jackpot. One pound 12 ounce rainbow. Congrat's Frank.

Upcoming Campouts:

Lake Morena Feb. 22 - 26 2010

If you're planning on this campout (and if you like BIG trout, you should be). Hopefully you have made reservations (this is one of the trips where you must make your own.). If you haven't and want to attend , you can make them online at <http://www.co.san-diego.ca.us/parks/>. Most of us will be close to the gazebo.

Last year we had a 6lb., 8lb., 11lb. and 13lb. (a lake record). In 2008 there were 2 5lb. and 2 6 lb. So this is the place for those lunkers. They also have a great gazebo they let us use. The ladies can sew and play games there, and stay out of the weather if it is bad. We also eat there and socialize at night. Norm and Kathy Martineau are wagon masters. Give them a call with any questions or you've just decided to go.

If you can't attend it's not a bad one day trip. About 75 miles from Escondido.

Santee Lakes March 14 - 18 2010

This is a new trip for us that I'm really looking forward to. Everyone I've talked to that has been there said great things about it. There are 7 lakes, some stocked with trout, the others have bass, catfish, panfish. They also have a very nice clubhouse that as a group, we can use. And the best part is it is only about 25 miles from Escondido. Dave and Anitra Gehrke are wagon masters. If you would like to attend please contact them or me a.s.a.p. They need to plan the agenda and confirm spaces by the next general meeting (2/19).
