PRESIDENT'S PERSPECTIVE

I'm honored to have been elected President of our fishing organization and am looking forward to the upcoming year. We have a dedicated board made up of both experienced members and "new blood". This combination should provide both stability and innovation.

Barbara Gattuso, Karen Taylor, Tomas Martinez, George Martinez, and Bill Borst are continuing in their present jobs. Ron Parker, Minerva Martinez, and Anitra Gehrke are present Board members taking new positions. New to the Board are Bob Taylor, Bob Posten, Mary Roy, Al Green, Shelley Wagner, Charlotte Heath, and Mary Lou Rushing.

I want to recognize those retiring Board Members and thank them for a job well done. They are David Martinez, Bob and Alice Lage, Karen Entwistle, Ross Granados, Sharon Martineau, and Carl Arnold. You all have provided outstanding leadership these past 2+ years.

The strength of our organization lies in you, the general membership. You take an active part in the life of the Senior Anglers, without which we would go nowhere. That being said I would like to share some ideas, which could make our club even stronger.

- Will work to get more people involved in salt water fishing by emphasizing special days, surf fishing, and interclub activities.
- Encourage bass fishing.
- Support positive legislation, which promotes fishing.
- Start each meeting with both the Pledge of Allegiance and a Patriotic song.
- Get involved in an Escondido Street Fair.

With your support these ideas can become a reality.

PUBLIC RELATIONS

Anitra Geherke

Hello all, and can you believe it.....2010! I want to take this opportunity to introduce my replacement as Public Relations, Anitra Gehrke.

I know everyone will help her as you helped me with saving articles from the newspaper etc.

It is always a help to have eyes and ears out there checking for you as sometimes we are away and don't see the article.

Minerva and I are also working on the newest directory which I understand are lacking a lot of members not signed up for the 2010 year. Please get your membership in for the new year ASAP.

Directory ads are also slow due to the economy.

Everything should be ready in February.

FRESH WATER

Bob Taylor, Vice President

I hope everyone had a wonderful Christmas (with lots of new fishing gear), and is getting ready for a great New Year. There's lots of big fish just waiting for us to catch them. There will be many campouts (which means lots of good food) during the coming year. Mostly the same as last year, but with a couple of changes yet to be decided.

Our first outing will be Lake Cahuilla again, Jan 18-22, 2010. Activities are only planned for 5 days, but as it costs the same for 7 days, many will stay extra days. Linda and Mac McGregor will be Wagon Masters. Campout itinerary has already been issued. But if you would like to join us for a day or two, or whatever, please do. It is only a short drive over to La Quinta in the Palm Springs area. If you want to stay overnight, you will need to make your own reservations (880) 234-7275 or online at www.riversidecountyparks.org. Usually always great weather and lots of activities (golf, shopping, good restaurants, etc.) nearby.

If you are going to Lake Morena (Feb. 22-26, 2010) hopefully you have made a reservation online at sdparcs.org. Those who haven't signed up yet can do so at the January General Meeting. Norm and Kathy Martineau are Wagon Masters and you can contact them with any questions. This is the outing we usually catch our biggest trout, a 6, 8, 11 and 13 pounder last year. So get your tackle ready.

Meanwhile our local lakes (Dixon and Wohlford) are being stocked with the Nebraska "Tail Walkers" (hard fighters, good eating). So let's continue our Thursday club fishing at Lake Wohlford and see how many of our people we

can get out there. It is always fun to fish and swap stories with each other. Hopefully I'll see you out there soon.

YOUTH DAY AT THE LAKE

Ron Parker Coordinator

We are again partnering with the Escondido YMCA to plan a day at the lake, Lake Dixon, for a group of youngsters. This will be the third year we've sponsored this outing for the children. This project is both fun and rewarding and benefits a group that would not normally be able to go fishing or hiking at the lake. The city provides the boats, fishing permits, and a Naturalist for the hiking groups.

The dates for this event have yet to be determined but were requesting a Saturday early in March. By the January 15th meeting I hope to have a date.

The fishing and hiking begins at 8AM with half the group fishing and the other half hiking. After 2 hours the groups will change and the hikers will fish etc..

We plan on having a big barbeque after the hiking and fishing that will feature a menu of good all American hamburgers and hot dogs with all the trimmings. Oh, also a big cookie for desert.

We will need plenty of volunteers to help with the fishing, the cooking, serving the food, picture taking and many other activities. Also we want to have a work party at an earlier date to check out all the rods and reels that we provide the youngsters. This party will involve fixing any reels, putting on new line, tying on all terminal tackle etc. This is just a general overhaul of the fishing rods and reels that will be used this very special day. Usually this task takes 2 to 4 hours depending on how many guys and gals show up.

I will have signups at the January 15th meeting so please join in the fun and help. If you have any questions give me a call or send me an email.
