A Line from your President...

Once again, I would like to start the New Year by thanking our last year's Board of Directors for a job well done. Sadly, two of our Board members will not be returning to the board this year. **Pat Stevens** has moved out of state and **Hank Skaja** has stepped down. I wish them both well and appreciate their contributions while on the board. I am pleased to announce that **Linda Perdue** has volunteered to take over **Pat's** position and will be our new Membership Director. If no one steps up to fill **Hank's** position as the Community Events Director, for each of this year's events we will form a committee to supervise each event. I would also like to take this opportunity to thank **Ron Parker**, who has volunteered to continue in the position of Past President for yet another year.

The Awards Banquet/Holiday Party Committee consisting of **Karen Taylor, Betty Allen, and Anitra Gehrke**, once again pulled off a truly wonderful event at the County Club of Rancho Bernardo. The food and entertainment were excellent, and our very own **Ken Harrison** did a great job as the banquet's Master of Ceremonies. During dinner we all enjoyed another Awards Banquet tradition; **Carol and Ron Parker** brought their superb video of this year's club highlights. Of course, the beautiful venue for this event would not have been possible without **Larry and Betty Allen**. You all deserve a big thank you for making this year's Holiday Banquet truly special.

This year's Escondido Trout Derby at Lake Dixon, which started the day after the Awards Banquet was a huge success. Despite the cold, wet weather, many anglers showed up to compete in the event. The Grand Prize winner tipped the scales at a respectable 9 lb. 3.7 oz. and many limits were taken. A great time was had by all who volunteered. Those who helped at the Kiddy Pond were truly

Our annual Viejas Trip was another fun event. The buffet was great, several who went were able to check off marks on their Christmas lists with items purchased at the outlet mall, and a few people even went home a little richer. Thank you, **Barbara Gattuso**, for organizing this.

On December 19th we had the first Fishing Challenge of the season. It was held at Lake Wohlford. Read more about this event in the Freshwater report.

Local lakes are currently being stocked with trout. Now is a good time to give them a try, but don't forget your 2020 fishing license.

PROGRAMS

At our January 10 meeting we will present the club's annual Year in Review Show. The program highlights photos of the club's Trout Challenges, Catfish Derby, Surf Fishing Tournaments, saltwater charters, picnics, other club events and RV camping trips around the state. Our Past President **Ron Parker**, produced the show, highlighted with special "fishing" music. **Carol Parker** served as the club's photographer throughout the year and captured the monthly meeting

CAMPING TRIPS

Lake Skinner - Jan 15-20

If you are interested in joining this trip, please call wagon masters **Rich & Cindy Bruemmer** for the camp area and the available sites . You will be responsible for making your own reservation and they will provide the necessary information. Their contact numbers are (760)749- 8239 or (760)212- 9712. Hopefully we will have a great turnout.

Lake Morena— Feb 23-28

Bob and Karen Taylor will be our Wagon Masters and **Al and Colleen Wilson** will be Assistants. This is a favorite for many of us because of the enclosed Pavilion, which is a great place to gather for meals and games. We'll be taking signups at the January meeting. Please bring your check for \$180 so that we can reserve the sites for you. If you cannot attend the meeting, call **Bob or Karen** and to sign-up.

Lake Cuyamaca, Pinezanita— May 17-22

Betty and Larry Allen will be the Wagon Masters. **Betty** has arranged for sites, in the upper area, where we

FISHING CHALLENGE

Our first Fishing Challenge of the season was at Lake Wolford on December 19. It was a very cold start to the day, but it warmed up nicely when the sun came up. Eight 8 members participated and 11 rainbow trout were caught (the majority on mouse tails). The winner of challenge was **John Tester** with a nice 4 lb. 7.6 oz. rainbow.

Come join us for the next challenge. See below for the details.

SALTWATER

I can't believe some of the 3/4 day boats are still catching, yellowtail but they are. Seaforth out of San Diego is getting pretty good catches and the Chubasco II, out of Oceanside got some nice good taco making bottom fish, in-between the rain drops the last couple of days.

It's a great time to get your tackle in shape for another fantastic new year of fishing. If it's anything like 2019 and the Bluefin are turned on you better gear up with heavier line.

We will possibly have another Ensenada trip in February. We will determine the interest at the January meeting. There may also be a Erendria Castro's Camp fishing trip in June.

At our San Onofre Campout (March 15-20) we'll have a fishing trip out of Dana Point on March 18. Sign up at the next meeting.

The Oceanside and Rancho Bernardo clubs will also be posting trips we can join. Look for special announcements on these trips. Don't forget they count as a Class I trip so bring your Large Fish Documentation Form with you (print out the form on the last page).

COMMUNITY EVENTS

ESCONDIDO TROUT DERBY

Escondido's Trout Derby was held at Dixon Lake on December 6-8. The lake was planted with a large amount of trout. Although it rained off and on the 7th and 8th, the derby still proceeded and the anglers still came and caught trout. The rain did not stop our club's volunteers either. I was very grateful for all the help.

The Kiddy Pond was a great success. This year the fish in the pond were large and they were active! I wish all of you reading this newsletter could have seen the bright faces on those children!

There will be two more Trout Derbies this year so be ready to volunteer for these and have fun doing it!

YOUTH DAY

The majority of our club members know what “Youth Day” is all about, but for our new members, I will go into a little detail. Youth Day is one of our club’s Community Events. This event provides a wonderful experience for the children and has a tremendous affect on their ideas of life. Many have never been fishing before. In addition, it helps our club become more visible in the community.

We reserve a covered picnic area and boats at Dixon Lake. We invite the children selected by the counselors at the YMCA. We take them fishing and hiking, give them a memento of the day and provide lots of good food, drinks and cookies. This year we will have forty children and six counselors.

Youth Day will be on March 21 and will start at 7:30 a.m. Like all of our events, volunteers are needed. I will have a sign- up sheet at the January 10 meeting. Please think seriously about signing up for this special event!
 Thank You!

Janet Skaja.
Event Chairperson

SUNSHINE

I hope everyone had a blessed Christmas. The new year is upon us and 2020 is a great year for everyone to stay healthy and put me out of a job!!

A card was sent out to **Mary Ann Murphy** who had back surgery. Hope you are doing well **Mary**.

Here is a little poem to start the new year:

*When we start to count flowers, we cease to count weeds.
 When we start to count blessings, we cease to count needs.
 When we start to count laughter, we cease to count tears.
 When we start to count memories,
 we cease to count years!*

SPOTLIGHTING OUR MEMBERS

Members who attend our monthly meetings and events or our fun campouts should recognize these hard-working volunteers, **John and Linda Perdue**. They have been Assistant Wagon Masters and Wagon Masters for both Lake Cahuilla and June Lake. **Linda** has been the Apparel Chairperson that handles just that, "club apparel". This year **Linda** handles a big assignment, Membership Director. Remember to thank these volunteers.

LINDA and JOHN PERDUE

John and I met while teaching at Valley Center Middle School. We were married in November 1978. **John** joined my daughter **Cherie** and me and we had **Amanda** in 1980. Between teaching, soccer activities, coaching, shuttling the girls to violin, soccer, cross country, track and volleyball, life was busy.

After **Cherie** graduated from high school **John and I**, along with **Amanda**, headed to Malta for two, two-year teaching positions. **Cherie** came over every Christmas vacation and we visited Egypt and Tunisia.

As we neared retirement, we had a new found interest in RVing, camping, fishing and kayaking. A friend of ours in Valley Center, **Camille Martineau**, told us about a fishing group that his brother, **Armand Martineau** belonged to and really enjoyed. **John** went to a meeting and the rest is history.

We have met so many nice people and have made some great friends. We have enjoyed the campouts, traveling with friends and helping out at club functions.

We feel that volunteering gives back to the club and it lets us know the members better. At first, we were a bit hesitant because we didn't know how to be Wagon Masters. But being assistants is very helpful and when you are a Wagon Master, everyone helps out. Participating at Club functions is also a way to help the community and meet more club members.

Our daughters are both married and we are grateful that they live close by. When we are not traveling, we
