SAE OUTLOOK

During this past month SAE (Senior Anglers of Escondido) have lost another member. **Henry Lewis**, husband of **Betty Lewis** (deceased) passed away on June 15 at the age of 93. Henry had been a long-time member of the club, served on the Board of Directors and actively promoted surf fishing. Please keep the Henry Lewis family and friends in your thoughts and prayers.

With 2016 being a "banner" year for saltwater fishing, many expect 2017 to be even better. Half-day boats are catching lots of rockfish, whitefish, and calico bass. Three-quarter day boats have caught lots of rockfish, yellowtail, bonita, with an occasional lingcod and halibut. One three-quarter day boat reported catching six large bluefin tuna.

See **Barbara Gattuso** to sign up for SAE August 29 full day saltwater trip, cost \$110. Now is the time to fill your freezer with saltwater fish. Our speaker for the July 14 meeting will be Walt from Pacific Coast and Tackle. He will be able to answer any saltwater questions that we may have.

Upcoming Events:

July 14 SAE General Meeting
July 17 Surf fishing at Oceanside Harbor Pier, at 4PM
July 18 SAE Club Picnic with barbecue ribs and chicken at Lake Dixon
July 27 Catfish Challenge at Lake Dixon.
Aug. 16 Day at the Del Mar Races. Let's go as a group.
Sept. 17 June Lake outing.
Oct. 15 Pinezanita/Cuyamaca outing
Nov. 5 Santee Lakes outing, sign-ups will begin at the July meeting.

There are a couple of positions to be filled on the Board of Directors we are looking for some new participants. Please see **David Gehrke** or **Karen Taylor** for more information.

LAKE CUYAMACA PINEZANITA CAMPOUT

There were 14 members in attendance, with several members coming up for the day. The weather was great, food excellent, but the fishing was slow. The water was a little warm and they seemed to be hiding in deeper water. **Jim Stevenson** won the derby with a 1lb. 6oz. Rainbow. I took 2nd with a 1lb. 3oz. We'll be going back in October to try again.

The Bluefin tuna are still at 3/4-day range and even 1/2 day boats are catching yellowtail. Thank you to all who filled the July 12 trip. We will take standbys. We now need to fill the all-day Tuna trip August 29. Sign up and pay at the next meeting. The cost is \$110, including tip. You will need a passport just in case we go to Mexico.

Glenn Foss caught a nice bass on and Rancho Bernardo trip to beat out **Cuz's** lingcod for the jackpot.

SURF FISHING

We had 14 anglers and guests at the June Surf Fishing Tournament Event.

But, alas, no fish were caught. We had near perfect weather. The beach near the Army - Navy Academy was in good condition. There were even very small sand crabs to be found, which is a good sign.

Next outing will at the Oceanside Harbor Fishing Pier. July 17th at 4:00 pm. We'll have a BBQ about 5:30 or so. This will be a totally BYO (bring your own food and drinks) but BBQs will be available.

After surf fishing, **Ken Harrison** was good enough to "recon" the location and reports the pier may be crowded. Seems folks like to fish here after work.

LARGEST FISH YTD 2017
