Fish Tales from Your President's Perspective.

Happy Birthday America. July is upon us, and it is time to celebrate. No better way than going fishing.

If you missed last month's meeting, you missed an excellent discussion on the effect of Sun on us all. This month should be just as insightful.

So, during the meeting a sidebar started up and before you knew it, we had 10 people interested in going on a ½ day boat out of Oceanside. That is what coming together is all about. One person shares an idea and others jump on board. We will be going out on June 30. We'll tell you how it went at the meeting.

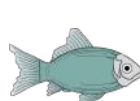

A few of our members made Alaska trips. Hopefully they will show up to the meeting and share some of their adventures. If you were able to go out let me know. It's always fun to hear about our member's trips.

We do not have anything scheduled for July for club camping but a lot of us are doing our own expeditions. Julie and I have been busy trying to move into our new house. What an experience it was trying to navigate through the current Real Estate market. I was overjoyed to be reunited with my fishing gear as I got it out of storage. I have over 30 rods and reels and still need a few more. Julie doesn't think so. We are booked for 3 nights up at Launch Pointe – Lake Elsinore. If you haven't had a chance to go up there you might try it sometime. Nice Park, good amenities, it can get hot in the summer, but the kiddy splash area is good for us kids at heart. I will let you know how the fishing goes.

Remember our friends who cannot get out and drop them a note or email. I know Cowboy is already frustrated with not being able to get to the meetings and could use a little Sunshine from us all.

So Many Fish.....So Little Time

Fish Tales from Your President's Perspective.

Enjoy your Fourth of July celebration. Remember it is about Freedom, Justice and Liberty for ALL, even those of us who fish.

Paul Lorson
President

PROGRAMS

Our speaker this month will be **Mark Adkins** of Pacific Tackle Distribution, Oceanside. Here's some information from Mark about his company.

"Pacific Tackle Distribution is a wholesale fishing tackle distributor that services retailers throughout the United States. At Pacific Tackle Distribution, we stock a selection of line, leader, braid, wire, reels, hooks, lures, and terminal tackle. We are expanding our saltwater and freshwater selections. We'd like to serve as your first choice in fishing tackle distribution. Our clients enjoy rapid fulfillment and delivery times. We are rooted in saltwater, but we carry both saltwater and freshwater fishing products, and are continuously evaluating new brands and items to add to our assortment. We are expanding our trout, bass, surf and catfish assortments. We emphasize technology in every facet of the business to provide efficiency and fast order processing."

FRESHWATER

UPCOMING CAMPING TRIPS

June Lake — September 18-25

Wagon Masters: **John and Linda Perdue** Assistants: **Gary Beckman and Ann Savage**

This is one of the most enjoyable campouts located in the Sierras at Pine Cliff in June Lake. Due to fires the last two years it had to be canceled, so we are really looking forward to the campout this year. For those not able to RV there are condos and hotels for rent nearby. There are so many lakes to choose from for fishing, sight-seeing locations and hiking trails to be enjoyed.

The cost is \$48.16 per night and \$337.12 for the week. A cashier's check or money order for \$168.00 made out to Pine Cliff Resort is the required deposit. The balance \$169.12 **in cash**, is due upon arrival at Pine Cliff.

MORE FRESHWATER

The \$168.00 cashier's check or money order and the information requested on the info sheet will need to be sent to me by August 1. You can bring your payment to the meeting or mail to :

Linda Perdue, 905 Carriage Dr., San Marcos, CA 92069.

If you are interested and have not signed up, please contact me at lindaperdue@me.com or text 760-535-3877.

Santee Lakes - November 6-10

Wagon Masters: **Tony and Monique Smock**

Santee is taking reservations now for November. They are stocking on Nov 5. If you have Good Sam you can book online, and then call and they will adjust the price. The Smocks are in site 125. It would be helpful if sites 133,131,and 128 are booked as they are close and we would not have to move tables.

CATFISH CHALLENGE

We will be having a Catfish Challenge on July 21. Signups will be taken at the July meeting. Come join us for some fun evening fishing.

Freshwater Vice President

SALTWATER

I'm writing this on June 22 just a couple of days before Jim Stevenson and I head out for our annual Alaska fishing trip to Sitka. Our group of 15 people will be trying to bring home some salmon, halibut, lingcod, and whatever else we can find. Hopefully, we will have a good report for the next meeting. Maybe next year, others of you can join us.

As far as local fishing is concerned, fishing has been good overall. The dock totals for yesterday at Point Loma Sportfishing were:

2 Boats 2 Trips 31 Anglers 53 Bluefin Tuna, 1 Bonito, 4 Yellowtail

There are still openings on the July 26 day trip from the Rancho Bernardo club. Contact me ASAP if you are interested and hopefully you can join me for that 12 hour trip. Planning to have a good day of fishing and friendship.

Gerry Graf
Saltwater Vice President

ON-SHORE FISHING

We had a fun time on June 14 with a total of 12 Anglers. The weather was beautiful and water temperature was warm. We fished across from the old Power Plant in Carlsbad. A total of 7 fish were caught by the group; Corbina, Spotted Croaker, and Perch. I have to brag because I caught the most (3) and largest fish that day a .82 lb. Corbina. Sand Crabs were the best bait, small but full of eggs.

Our next outing is scheduled for Thursday July 14 at 8:00 a.m. (High Tide at 11:14 am with a 4.45' high tide) and the day after a Grunion Run. The group decided we would go back to the beach located behind the Army/Navy Academy. There is free parking on the street and some stairs to get down to the beach. To get there you take Carlsbad Blvd, turn onto Mountain View Drive which turns into Ocean St. The stairs are located in the bend in the road and easy to find. The stairs consist of 3 flights of about 10 stairs with flat spots. I'm hoping the sand crabs will be plentiful and sometimes mussels can be excellent bait, too. You can always use plastic, blood worms, squid, or shrimp for bait.

If you have any questions please feel free to give me a call, text, or e-mail at (760) 310-6536 or Cbrandstrom58@gmail.com.

FISHING FOODIES

The Fishing Foodie winner of the \$25 gift card to Tony Pepperoni's was **Steve Johnson**. It was his first time back since COVID. Hopefully, we will see him again soon!

A nice group of 15 anglers attended the June lunch along with our speaker, **Jay Grossman** and his wife, Jackie. We used the \$50 Gift card that **Tony Pepperoni's** gave the club to purchase 2 large and delicious salads for the group. A big thank you to **Rich and Cindy Bruemmer** for inquiring about gift cards.

The Fishing Foodies \$25 gift card for July will be for **Cocina del Charro** in Escondido. Hope you can join us.

LARGE FISH 2022

Class I Freshwater: Bob Taylor 4 lb. 8 oz.
Rainbow Trout

Class II Freshwater: John Tester 7lb. 6oz.
Rainbow Trout

SUNSHINE

Nat Estes has been in the hospital after a fall. They discovered that she has cancer in her hip and spine. She has undergone radiation and is recovering from that in a care facility in Escondido. We are keeping her and **Warren** in our thoughts.

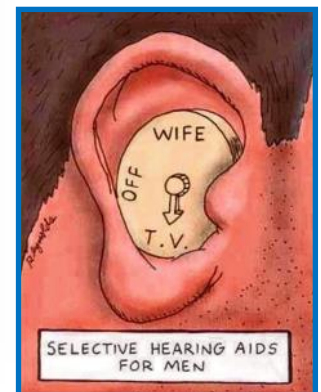

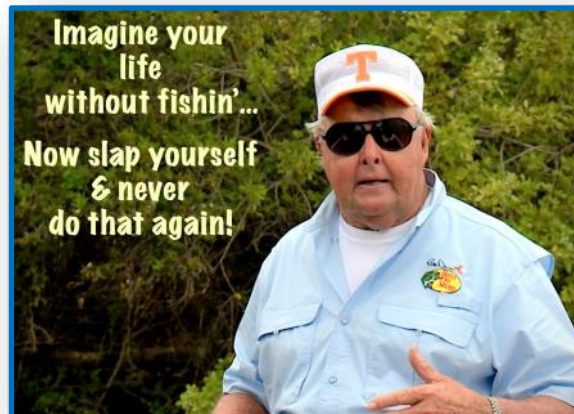

DID YOU KNOW

The full moon of July is known as the Buck Moon? That is because it's the time of year when a Buck's antlers are fully grown,
