The recent May fires have passed. I hope everyone is resolving any problems caused by them and returning to normal.

Our recent saltwater trip with the Rancho Bernardo Club did not produce any tuna. However, everyone was able to fill their sacks with rock fish. **Brenda McQueen** caught the second and third biggest fish on the boat which were the largest of our members' efforts.

The Pinezanita campout was fun for everyone as we enjoyed great weather, outstanding food and some big fish from Lake Cuyamaca. There will definitely be some fish tales exchanged at our June meeting. Be sure to attend and hear them all.

Our fish fry is on Wednesday June 11, 2014. We still need fish filets. Please call **Larry Jauert** to sign up or let him know if you can bring fish to this event.

“FISH AND PLAY THE SENIOR ANGLER WAY”

PROGRAM

JUNE SPEAKER

Our June guest speaker will be Arleen Lloyd, Executive Chef for the "Alchemy of the Hearth" Academy in San Marcos. Arleen was originally scheduled to speak to our group last month, but conflicts in her travel and work schedule caused us to reschedule her presentation to our June meeting.

Arleen will discuss how to properly prepare and cook various types of fish for tasty dinners. Thanks to a variety of ocean fish caught and donated by several of our Escondido Senior Anglers, Arleen will actually cook the fish during her presentation.

We all will be able to finger-sample Arleen's talented cooking skills. We all seem to know how to catch fish, but this provides us an excellent time to see and taste how a true chef goes about making a tasty presentation.

Our July speaker has not been confirmed at this time.

Fresh Water Trip Reports

Lake Lopez----- April 28 to May 4, 2014

Carl and Dottie Arnold with the help of **Dick and Laura Montague** handled the duties of Wagon Master. Twenty-five members were in attendance. Sixteen fisherman caught 171 fish.

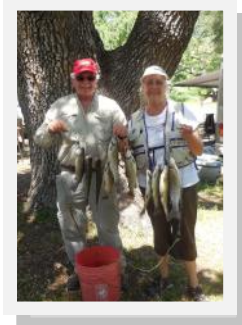

Daily winners included **Larry Jauert, Larry Allen, Bob Tayler and John Perdue**. **Larry Jauert** caught the big fish for the trip, a **2 lb. 15.4 oz.** largemouth bass. **John Perdue** broke two club records with a bluegill weighing **1 lb. 11.1 oz.** and a **1 lb. 15.1 oz.** red ear. Many anglers caught daily limits of trout.

Two Nice Stringers

Of course, the trip to Jockos was a hit, as always. Many of the anglers enjoyed the local melodrama while **Thomas Martinez** had his leg stroked by one of the cast members of the show.

The ladies enjoyed a visit to **Cheryl Brandstrom's** cousin's sewing material shop and lunch in Pismo Beach.

FRESH WATER (CONT.)

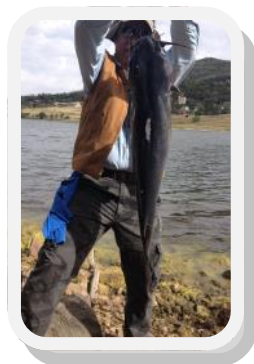

Wildlife was in abundance with wild turkey walking within three feet of the fire ring, quail and deer seen every day. The highlight, in clear view of the fire ring was an (auburn colored) black bear who decided to climb an oak tree. The Park Rangers decided to flush him out with a fire hose....the bear just moved 20 feet higher up the tree where the fire hose couldn't reach him. About 2 hours after the spectators left, Mr. Bear climbed down only to be chased over the hill by the Rangers.

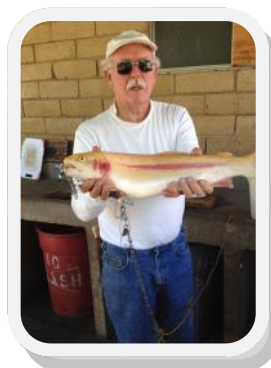

Lake Cuyamaca-----May 26 to 31, 2014

Wagon Master **Jim Stevenson** with help from **Larry and Betty Allen** headed up the outing. Thirty-two members with visitors were in attendance.

Daily fish winners included **Jim Stevenson, David Martinez, Larry Allen and Warren Estes**. Big fish for the outing went to **David Martinez** with a **16.5 pound channel catfish** followed by **Warren Estes** with a **5 lb. 13 oz. trout**. **Larry Allen** caught a 'Lightning Trout' weighing **4 lb. 14 oz.** Lightning trout are a very unique trout. They are orange with a white bottom and a red stripe down the side.
