PAST PRESIDENT  
Bill Kirchnavy

Hi everyone, greetings from Lake Cuyamaca. I am actually supposed to be writing my June article for **Karen Taylor**. However, I am fishing at Lone Pine waiting for the big one. My competition is down quite a bit because I beat **Warren** to the "spot". Truth be told, the only reason I got here first is **Warren** could not make this trip. Honest KT, I will get it done.

Well, saltwater fishing is starting to bust open. Yellowtail continue to weigh down many rods. Bluefin and Yellow Fin tuna are starting to come over the rail too. The ¾ day boats have been catching lots of tails and some tuna.

Our club charters still have two openings for the August trip and two "standby" spot for the July and August trips. Please sign up at the meeting so you don't miss out!!

Although our club elections are a few months away, June is the time to select a nominating committee. The committee will develop a list of members who would like to serve as officers and board members. Please let me know if you would be willing to be on the nominating committee.

Other club activities include the Club Picnic on July 16<sup>th</sup> at Dixon Lake. **Monique and Tony Smock** will be in charge of this one. Wings and Things will be on August 11<sup>th</sup> at Dixon Lake. Our fish fry will be on September 3, 2015 at Dixon Lake. **Brenda McQueen** is leading this always tasty activity. Please sign up early for these events at our June 12th meeting.

Remember, the best way to move fishing tackle is to carry on board a boat!!

President

## PROGRAM

### JUNE SPEAKER

Our speaker will be our own **Ron Parker** who will present a photo series of various types of fish caught by our members over the years followed by a short "Guess the Fisherman or Lady Fisher" in their younger days. This promises to be a fun and entertaining presentation.

### JULY SPEAKER

Our guest speaker will be **James Gowans**, California's Representative to the International Game Fish Association. James will speak on principle activities and workings of IGFA. This will provide us with an excellent resource on local and International Game Fish proposed regulations. He should be able to answer all of our concerns and questions.

Both presentations will be entertaining and informational.

Program Director

## FRESH WATER

### LAKE CUYAMACA CAMPOUT

PICTURE PERFECT WEATHER. **Jim Stevenson** with the help of **Betty and Larry Allen** planned a great trip. Excellent food including one evening spent at the local restaurant on Lake Cuyamaca. 16 members attended the outing.

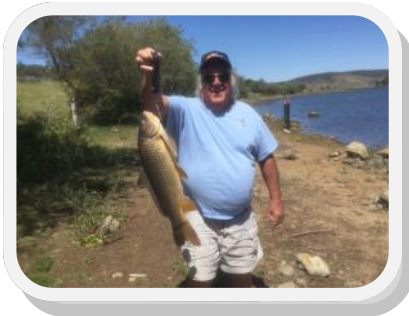

With 4 days of fishing, between 55 and 60 fish were caught. 3 trout weighed over 2 pounds, while a 10 pounder was being caught between one club members' lines by an outsider. Daily winners: **Larry Jauert, Bob Taylor, Jim Stevenson and Bob Taylor (again)** with **Jim** catching the biggest trout....2 pounds and 4 ounces. **Dave Gehrke** caught one trout that had previously been filleted, (that takes talent).

Following the morning walk the ladies sewed various projects and played card games. Next years' outing is scheduled for Monday May 30 to June 4 (Saturday).

And the Winners are.....

## SALT WATER

### SALTWATER TRIPS

If you could get out and fish between the raindrops you probably did well. The yellow tail are still being caught on 1/2 day boats along with yummy reds and bass.

If you went farther out the yellow fin and Bluefin are a definite possibility. However our Mexican neighbors are not very neighborly. Still a 0 limit on Bluefin. However they are allowing commercial catches in excess of 3000#s.

Remember to bring a largest fish form with you on ANY Salt Water trip.

Our June and July 3/4 day trips on the Chubasco are full but we need 3 more on the August 24 trip. Good job filling these trips!!! If you signed up and forgot to send payment please pay **Jim Stevenson** at the next meeting. They should be paid at time of sign up.

**Gerry Graf** has a cancellation on his Sitka trip 6/20 - 26. If interested call Gerry at 760)918-9303.

If you are interested in going to Asia for Cherry Blossoms in Japan or seeing Cambodia, Viet Nam , Thailand or China let me know ASAP. This trip is filling fast.

I will be in Alaska fishing and will see you in July.

### FISH PICTURES

During the past six months we have been asking for old and new pictures of fish you have caught over the years. Response has been pretty good and we have received some great pictures. Big fish, little fish, strange fish and some very interesting photos. If you have any please send them my way. It's still not too late to include them in the fishing program that will be shown at the June general meeting. Thanks...

## 40TH ANNIVERSARY

### CATFISH DERBY

I'm sorry to report that the Catfish Derby at Lake Wohlford is cancelled for 2015. I've been told that next year it will be bigger and better than ever? Let's hope so as it has always been a lot of fun with attendance records at the lake and lots of catfish caught.

### ESCONDIDO CITY DERBY

We will be starting signups in August for the city derby which is scheduled at Lake Dixon on Saturday, November the 7<sup>th</sup> through Wednesday the 11<sup>th</sup> Veterans Day. They are trying to have the kiddie ponds operating on Saturday and Sunday so we will be needing a lot of you hard working Anglers to support this community event. Because of the number of days, five this year, we would like to have co-chairs for the derby. If you're interested in helping please let me know at the next meeting or give me a call.

You all have a great summer, do lots of fishing and be safe. Thanks again for supporting our Community Events. Hope to see you at our next meeting.

Catch you later,

*Ron Parker*
