SAE OUTLOOK

Earlier this year the SAE (Senior Anglers of Escondido) club sponsored a fishing day for 29 YMCA kids on Lake Dixon. This was a great experience for all. Lake Dixon Park Attendant, **Jim Custer** was so impressed that he donated \$30 to the SAE club so that we could continue to have events such as these. Thank you very much Mr. Custer.

We are living near one of the best saltwater fishing ports in the world. Saltwater fishing is expecting to have another great year. Limits of yellow tail from 14 to 22 pounds, some bluefin tuna and great numbers of rock fish are currently being caught. San Diego has five landings, over 75 state-of-the-art fishing vessels and seven ocean fishing piers.

The trip to Pinezanita was a good one. Read about the fishing and see the pictures on pages 2 and 3.

The board unanimously voted to pursue having a SAE Facebook account. A special thanks goes to Paul Lorson for setting up the account. Like us: at (Senior Anglers of Escondido) on Facebook.

Upcoming club activities:

June 10, Monthly meeting at 9:30 AM

June 16, Saltwater trip

July 13, SAE Luau

PROGRAM

JUNE SPEAKER

TV host **Dan Hernandez** will be the featured speaker at the June 10th meeting of the Senior Anglers of Escondido. Hernandez has been host of his own weekly fishing show, **Sportfishing with Dan Hernandez**, for over 29 years.

Hernandez will share his expert advice on both saltwater and freshwater fishing in California and Baja. He's also very proud of his nonprofit youth foundation, which takes inner-city kids fishing. His cookbooks and fish sauces are big hits as well.

Wagon Master report from **Jim Stevenson:**

The trip was great, the campground well manicured as always. The food was outstanding and thank you again to everyone that made such wonderful food.

The fishing was good, no huge ones, but there were several limits. 75 total. Some of the limits were caught by 8:00 o'clock. Join us next year.

Wagon Master and his Assistants.

SALT WATER

LOCAL FISHING

The water temperature is back to normal and at Catalina they are catching Bluefin, Yellowfin, Yellowtail and some Albacore on 3/4 and full day boats! And of course those great eating bottom and rock fish are still being caught.

White Seabass are biting on squid and 100+ lb. Bluefin starting to show. Yellowfin in May is a great sign as to what is to come.

The San Diego fleet is a bit slower but there are some great days, depending on weather.

All of our club Salt Water trips are full. Thank you all for supporting our trips.

If you go fishing be sure to turn in a fish report with picture to me and a copy to historian.

WHITE SEA BASS HATCHERY

We are working on a Scripps White Sea Bass Hatchery tour with lunch at Tip Top. As soon as they confirm I will let you know date and time. We are looking at Sept 6. Sign-ups will be at the July meeting.

SURF FISHING

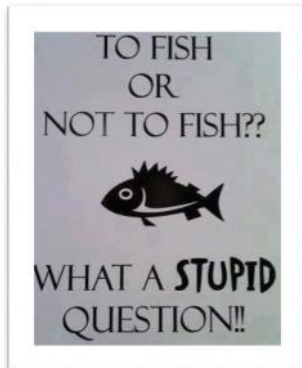

Bill Varney Clinic May 9 was a great success with a big turnout. The attendees learned a lot and really appreciated Bill's ability to share his expertise. Lunch followed the surf lesson Thanks to all who attended. It was great fun!
