PAST PRESIDENT
Jim Stevenson

Once again, I would like to thank **Ron and Carol Parker** for the great job they did as acting president during the three months **Joann** and I were in Florida. As for Florida, I have been bass fishing for 52 years, and this year was without a doubt the best I've ever experienced.

In April, the SAE club had an outing at Lake Lopez. The lake levels have gone from 16% up to 61%, thanks to the rain we received for the first three months of this year. While freshwater fishing was slow, the food and camaraderie were outstanding. Six members took one day to go saltwater fishing. This trip turned out to be "a trip of a lifetime". One of the deckhands mentioned this trip was the best fishing trip that he had ever seen, with limits of Vermillion Rock fish from 4 to 7 pounds, Copper Rock fish from 4 to 6 pounds, and Lingcod weighing up to 10 pounds and 4 ounces. All the fisherman came home with huge bags of fillets.

The fishing challenge for April was won by **Albert Wilson** with a 2 lbs. 9 oz. trout from Lake Wohlford.

The Senior Anglers assisted in the annual Kiwanis Trout Derby. This was a two-day event with many fish weighing from 8 to 12 pounds.

Upcoming events include a club outing to Lake Cuyamaca from May 29 to June 3. Contact **Jim Stevenson** for more information.

Be sure to sign up for the June 6th, three-quarter day fishing trip on the Chubasco II. See **Barbara Gattuso** for more information.

MAY SPEAKER

A painter and fisherman since childhood, **Jill Field-Duerr** grew up fishing with her family in the Eastern Sierras and the Oregon coast. Having been compared to American masters such as Whistler, Moran, Homer, and influences by the French masters, her artwork are not illustrations, but art in its highest capacity. Her depictions of trout have taken on a heightened form of realism.

Part of Jill's mission is to also donate to organizations and foundations that participate in the preservation and conservation of land and fisheries that support the great tradition of fly fishing.

"People often ask me if I catch the fish that I paint. The answer is yes," said Jill

LAKE LOPEZ April 2-9

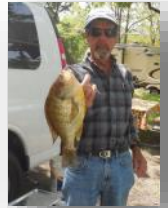

By **Priscilla and Bob Melton**

Well another campout in the books and it was a fun one. **Priscilla and Bob Melton** were Wagon Masters with assistance from **Larry and Joanne Jauert**.

We started with 21 campers with 11 rigs. The weather started out beautiful and on Friday we had a visit from Mr. Rain, which seems to be a thing this year on the campouts. The rain this year gave us great water levels at the lake. It was a beautiful site to see. Having more spots to fish from was great, but the fish bite was about the same as last year. The fish count was not great, but 44 fish were caught which included trout, bass, crappie and blue gill.

A small group of us went out on a boat out of Avila, the Phoenix. The weather was great and the swell small which gave way to viewing whale breaching and swimming very close to the boat. The fish were biting and giving us great size and limits for the day. The yield of fish for this trip was 48 coming home in bags and a total of 63 caught for the trip. We helped a family who had two seasick members and didn't fish much on the trip.

Bob Taylor took the first-place prize for the trip with 1lbs 15oz Bass, **Dave Gehrke** took 2nd place with a 10lbs 4oz Ling Cod from the sea.

Lady's day was a trip to the Morro Bay Natural History Museum, Morro rock, sea otter watching, lunch at Bayside cafe which was delicious. This day of fun and learning was topped off by a frozen yogurt. Yummy!

As always, the dinner menus provided some tasty food, especially the menu at JOCKO's. Thank you everyone for providing the all the wonderful food for our enjoyment. One night we did do a song guessing game. We all thought **Bob T.** had all the answers last year, well let's say there was a new singer in town. Next time you see **Don Peterson**, have him sing you a song. NICE JOB **Don**.

**Thanks for Breakfast,
Bob and Priscilla and
Larry and Joanne!**

We had 13 fishing total but only 5 fish were caught. There was discussion about having a Catfish Challenge this summer.

We all chipped in for the food but a special thank you should go to **Hank and Janet Skaja** for picking up some Chicken, side dish, chips etc. and **Manny** for the great Salsa.
