SENIOR ANGLERS OF ESCONDIDO

Celebrating 35 years
1975 - 2010

HOOK LINE AND SINKER

PRESIDENT'S PERSPECTIVE

We just came back from the Lake Cuyamaca trip where it rained/drizzled most of the time. I guess it poured down here. The number of rigs were under 15, which made for the development of a tight knit group of people. Wagon Masters Larry and Betty Allen handled the job like a bunch of pros even though it was their first time. The only mishap occurred when Marv Van Voorst tripped and ended up with a very sore shoulder and hip. Wife Joyce drove him to the Doctor in Fallbrook. He's on the road to recovery.

November is even a busier month for us Anglers. We started out with a campout to Lake Hemet from the 1st to the 5th. Then the 5th – 10th is the Cabo fishing trip.

The 11th – 14th is the Fish Derby at Lake Dixon where we are in charge of weighing and recording the big fish brought in. Will Cozzens heads this up and approximately 24 Anglers are involved.

The Viejas Casino trip is Wed. the 17th. Bob and Alice Lage are heading up this activity.

Our General Meeting is the 19th with the Bake Sale and special Raffle prizes highlighting the Activities. We also have the Election of Officers and Board of Directors.

With Thanksgiving the next week, we will start thinking about the Christmas season. Our last major activity of the year is the **Awards Banquet and Christmas Party** held on **December 1st**.

Kathy Martineau and Sharon Martineau are heading up this event, which promises to be the Activity of the Year. Don't miss it.

Remember that December 1st is also the last day to renew your Membership for 2011 for \$15. After that it will cost you \$20 and you won't get into the new Directory. You can pay your dues at any of the above activities with exception of the Cabo trip. You can also mail your dues to Anitra Gehrke, the Membership Chairman.

I've enjoyed being your President this past year. We have a wonderful club mostly because everyone is willing to pitch in and help.

I'm looking forward to 2011 and the opportunities it can provide.

MEET OUR MEMBERS

By: **Dave Gehrke**

Roy Roque

Roy is one of our newer members and has already made an impact on the club.

- ▶ Dave: Roy, you're already in charge of Magazines and are on the Board of Directors.
- ▶ Roy: You're the one who got me started. When you became President, someone had to take the magazines from your responsibility. I was happy to volunteer. I saw the need to expand the magazine selection to include our female members. Now fishing, home & garden and travel mags have universal appeal.
- ▶ Dave: You're doing an excellent job as Public Relations Director.
- ▶ Roy: We regularly have information about the club in the North County Times, the San Diego Union and the Paper. I'm also working with Paul Lorson, our web page guru, to interest new club sponsors who will support our many community activities. The new website gives the club an opportunity to communicate with members, our special sponsors, and the local communities within North County. It also provides the means to "Welcome New Members".
- ▶ Dave: How did you hear about the Anglers?
- ▶ Roy: I had recently retired and read about the club in the newspaper. I was impressed by so many people enjoying themselves. A club of all volunteers, celebrating 35 years promoting sportsmanship in fishing, appreciation for the environment, and staying involved in the community. Our members seem to live an active life style, proudly living their club motto "Fish and Play the Senior Angler Way". We have really enjoyed being a members of this club.
- ▶ Dave: Have you always lived in Southern California?
- ▶ Roy: I was born in Hawaii fishing in the ocean, and grew up in the Silicon Valley fishing in the Bay & Delta region. I joined the Army out of high school and later through the G-I Bill graduated from San Jose State. I got involved in helping newly formed companies get established and go through the process of becoming public. I traveled the world, lived in Colorado and San Diego and fell in love here.
- ▶ Dave: Tell us about your family.
- ▶ Roy: I met my wife Mary from San Marcos while in college. We have two children, Brian & Karen. We all live in the San Diego area.
- ▶ Dave: It's been a pleasure getting to know you better. The Senior Anglers have benefitted from your interest.

2011 BOARD OF DIRECTORS

The Nominating Committee for our club is seeking volunteers that would be interested in serving on the 2011 Board of Directors. We will be having elections at the November General Meeting. Having served on the Board of Directors for several years in various capacities I can truthfully say that it has been very rewarding and enjoyable working with the leaders of the Senior Anglers of Escondido. Helping to determine the direction of our club and having the satisfaction of seeing different projects/activities implemented and usually succeed has been gratifying.

If you would like to get more involved and/or have questions about helping on this coming years BOD please call one of the Nominating Committee Members. We would be more than happy to answer any questions you have regarding this subject. Thanks for your consideration.

October FRESH WATER REPORT

Bob Taylor
Vice President

Trip report: Pinezanita/Lake Cuyamaca

Larry and Betty Allen hosted a good outing even though there was lots of rain. We had to switch a yoyo night, but got in all the other meals thanks to Larry & Betty's awning and "easy-up". We even had a campfire every night but that one, Seemed to rain more at the campground than at the lake, so we still got in quite a bit of fishing. No real big fish except for one. Paul Se-bourn Landed a 6 lb. 3 oz. Rainbow. Nice fish Paul; he won the jackpot and biggest class I for the year.

The walkers were able to get in their walks between showers, the food was great, the fishing fair (58 trout). So all in all another good outing.

Thanks to Larry and Betty on an excellent job, to the ladies for great food, and congrat's to Paul.

Bob

The McGregor's are Wagon Masters again. If you haven't made your reservation yet, you should do so soon. Contact Mac or Linda for help.

OCTOBER SALTWATER REPORT

Barbara Gattuso
Vice president

Hi Everyone,

We still have a couple of openings on the November 12, 13,14th 1 ½ day trip on the Dominator. This should be an excellent trip since there is usually little or no wind or high swells this time of year which makes excellent conditions for catching large reds in the 5 – 10 lb range and lingcod. There is also an excellent chance of catching large yellowtail on the yo yo Iron. We will be leaving Friday evening, fishing all day Saturday and returning early Sunday morning. The cost is \$240 which includes all meals.

If you want to get in on the action call Paul Montgomery at 760-941-9064 or e-mail paul.montgomery@sbcglobal.net

I am also now taking reservations for the December 26,27th overnight trip. We did this same trip last year and it was one of the best trips of the year. We caught White Sea bass, rock cod and lingcod and had an encounter with Killer Whales that most of us onboard will never forget. The cost of this trip is \$160 which includes all meals.

If you have friends or relatives that like to fish give them a call so they can get in on some great wintertime fishing.

If you have any questions about these or any of our other trips call Paul Montgomery 760-941-9064 or e-mail paul.montgomery@sbcglobal.net
