From the President's Pole

Greetings everyone, I just got back from our Fall Lake Cuyamaca trip and had a great time with everyone. We experienced wonderful weather, had some delicious dinners, and enjoyed evening campfires together. Yes, we are following the tradition of what happens in Cuyamaca, stays in Cuyamaca. You will have to join us next time to find out all the "dirt."

The fishing did not produce a ton of trout. However, there were some nice sized ones caught to grace the dinner plate, just ask **Cheryl Brandstrom!!** Thanks again to **Betty and Larry Allen** and **Carmen and Tomas Martinez** for all their efforts.

Veterans Day is on November 11th. Please take a moment at our meeting to thank all our members who served in the military services.

The club Turkey Fry and White Elephant Sale is on November 12th at **Carmen and Tomas Martinez's** home. The sale is a great fund raiser for our club. Please call **Carmen and Tomas Martinez (760) 724-6413** or **Marge and Gene Lovelady (760) 549-0933** to arrange the transfer of your "valuables" before the sale. We also need some help on the 11th to sort and price the items.

Our Fall Season is fast approaching with seasonal changes in our fishing. The saltwater species are slowly starting their southern migratory movement as our local waters begin to cool. However, there are plenty of fish waiting for you. The Sunday, October 26th fishing results indicate the yellowtail and tuna are still around. This is a great time to get your fresh water gear in shape. The local lakes will be stocking as soon as the water temperature cools down,

November is approaching with a variety of club activities. In addition to the Turkey Fry, we have the Bake Sale (November 14th), Lake Hemet Campout (November 16th -21st), Awards Banquet (December 3) and Viejas Bus trip, a club fund raiser (December 10th).

Please sign up for these great activities to have a pleasurable time with your friends!!!

PROGRAM

NOVEMBER SPEAKER

November speaker will be George Scalo, Chief Ranger at Lake Wohlford. George will update us on the current and proposed activities at Lake Wohlford. George is well known by the members of Escondido Senior Angler's and we look forward to hearing what he has to say about one of our local Escondido lakes.

The next meeting will be in January and we'll have a great program planned for you.

FRESH WATER

June Lake Outing (Sept. 21 to 28, 2014)

Nineteen units were in attendance at June Lake this year, including a number of new members. A couple of members enjoyed rental campers. Thanks to **John and Linda Perdue** who did an outstanding job assuming the duties of **Gene and Marge Lovelady** as Wagon Masters.

The first 4 days ...perfect weather, 5th & 6th windy, 7th snow. Surrounding mountain tops were dusted with snow.

Fishing for the week was above average. Half of the anglers caught limits each day. Daily winners included **Warren Estes, Warren Estes, Larry Allen, Larry Jauert, Larry Jauert and Warren Estes. Warren** had big fish for the week..**3lbs and 15 oz.**

Daily walks included the June Lake area, a hike into the gorgeous Parker Lake, and 11 walkers hit the trail (about 4 miles) for fresh Cinnamon Rolls at the local Shell station.

Sewing projects included Lap Quilts for distribution within the Senior Center. In the afternoons many campers and fisherman played board games and poker.

Many deer patrolled the campground. One camper had an experience when a bear opened the front window of the camper to help himself to a bag of dog food. Not to mention names, but **Cheryl** would be happy to share that story. With you.

Campfires, stories and fellowship were enjoyed by all.

Our Wagon Masters

FRESH WATER (CONT.)

Lake Cuyamaca—October `19th to 24th

Four days of excellent weather. Twenty-five members attended the outing at the Pinezanita Campgrounds. Daily fishing winners included **Jim Stevenson, Larry Allen, Cheryl Brandstrom, and Jim Stevenson**. Big Fish for the week....**Cheryl Brandstrom's 6 lb. 13.2oz.** rainbow trout. Even though the lake was stocked on Tuesday, the fish did NOT cooperate.

Dave G. brought a pumpkin and invited everyone to join in the carving. Some Christmas quilts were made and with the assistance of **Karen S**, a lot of jewelry was produced! Dinner out at the lake restaurant on YoYo night was enjoyed by many. Not to be foiled by camping out, the football game was enjoyed outside, thanks to the **Martinez RV**.

A special thanks to **Larry and Betty Allen and Thomas and Carmen Martinez** for being wagon masters.

Trout Derby Postponed

An unfortunate condition has made it necessary to postpone the Escondido Trout Derby. For the trout to survive the water temperature in the lake must be well below 70 degrees. As of Thursday the 30th of October the water temperature of Lake Dixon is over 76 degrees. With the stocking date scheduled for November the 5th or 6th there is not enough time for the lakes water to drop to a safe level for trout to survive. So the city had no choice but to postpone the derby. The reschedule dates will be determined when the water is a healthy temperature for trout.

All the volunteers who signed up to help in the trout derby have been called and notified of the postponement of this years event. First of all I want to thank you for volunteering to help. When the city determines when the derby will be held, you will be notified and hopefully you'll still be able to help with the weighing and/or the Kiddy Pond. We appreciate your patience and cooperation and will let you know as soon as possible of the new dates. If you have planned on bringing any youngsters to the Kiddy Pond or informed anyone about this event, please let them know of this postponement. Thanks a bunch and you all have a great November. Hope to see you at the next meeting.

Thanksgiving Friends

Thanksgiving is a time
For reviewing what we treasure,
The people we hold dear,
Who give us so much pleasure.
Without you as my friend,
Life would be a bore;
Having you in my life
Is what I'm thankful for.
