SAE OUTLOOK

Twenty-one club members and four visitors attended the outing at **Lake Hemet**. What a great week, with temperatures in the 30s a couple of the mornings and more than our normal share of wind, the temperatures got up into the 70s during the day. This was ideal for the morning walkers, the afternoon sewing activities and the board games.

One of the fisherman noticed 30 to 40 small ducks approximately 250 yards away, that became startled and took flight directly toward him. The ducks had noticed a bald eagle approaching. The eagle circled twice and dropped to the edge of the water approximately 6 feet from the shore. The eagle caught a large fish, too large to fly with so it did his best to drag the fish to shore and proceeded to have lunch. By the way, the eagle was more successful than the many of our fisherman. **Betty and Larry** hosted a great camp out.

A few volunteers are still needed for the fall feast, November 3. Please contact **Anitra Gerhke** (858-822-8723) or **Karen Taylor** (760-518-2557).

PLEASE NOTE: The November meeting will be held NOV. 4th, due to Veterans Day and the Senior Center being closed.

Next campout, Santee Lakes, Nov. 14 -18. For more information contact **Joann Jauert** (619-218-5992).

The Annual Awards Banquet will be December 6.

PROGRAM

OCTOBER SPEAKER

Lake Wohlford Ranger George Scalo will talk about December’s opening day of trout fishing season at the lake and recent stockings of Nebraska Tailwalker trout and the recent switch of selling fishing permits from the local concessionaire, to the ranger station at the lake.

George will also provide an update on the city’s plans for upcoming construction at the lake that will raise the height of the dam, and allow for more water storage, and an increased fishing area. Lake Wohlford is one of two public fishing lakes in the City of Escondido’s water storage system.

FRESH WATER (CONT.)

LAKE HEMET CAMPOUT

Hosted by **Betty and Larry Allen**, this was a fun trip close to home. Cold at night and sometimes windy. Otherwise better weather than most of our trips there. Food was great as usual and lots of fun activities. A large variety of fish were caught including bass, bluegill and catfish. The jackpot went to ...you guessed it: **Warren Estes**. Congratulations **Warren!**

MEMBERSHIP DUES and 2017 Directory

I have started collecting Membership Dues for the 2017 year. Dues must be paid by December 1, 2016 or a \$5.00 late fee will be assessed. Dues are \$15.00 per year and \$20.00 if you need to have the newsletter mailed. We encourage e-mailed newsletters to cut down on mailing costs. Once again, if you don't have your picture in this year's Directory, please e-mail me or bring me a picture of you and/or you and your spouse to an upcoming meeting. I will have a camera available once again at the meeting and will take pictures. Another good place to have your picture taken is at our Holiday Party in December when you are dressed up in your holiday attire.

GREETERS

Lastly, a big huge thanks to all my Greeters in 2016. You were a tremendous help to me. For those who have not been a Greeter in the past, **PLEASE** consider being one for 2017. You help me by meeting new potential members at the door and showing them around the various tables which includes upcoming events, opportunity raffle, etc. It only takes a little of your time prior to the meeting starting and helps guests feel welcome. The sign-up sheet for 2017 Greeters will be available at the next meeting.
