November—Volume 48 Issue 11

Fish Tales from Your President's Perspective.

The year is almost over, but the fun continues for Escondido Senior Anglers. So many activities this month. Fishing and Camping at Santee Lakes, Fall Feast at Jimmy and Fariba's, the Trout Derby, and the Annual Holiday Party, just to name a few.

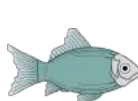

As a club, it's always fun getting together with everyone, and November will be no exception. This month, though, will be a milestone for us. After so many years, it seems amazing that we will no longer be meeting at the Senior Center. This is sad in many ways but exciting in others. The great folks at the American Legion are preparing to host our first meeting in their Hall (just next door to the east of the Senior Center). We will have some adjusting to do but the facility should be great.

Julie and I have been enjoying our rewards from the Club's trip to the Sierras and our ocean fishing.

I tried a couple of new recipes for the trout and we loved them. We shared some of the smoked trout with Ron and Carol Parker. Ron was so diplomatic, saying he really liked brined fish rather than dry rubbed. So, we have some more left that will be brined and smoked. The bottom fish is soooooo good with just some butter, garlic, lemon and spices of choice. We need to get out and get some more soon. We're hoping for more trout from Santee Lakes.

So Many Fish.....So Little Time

Fish Tales from Your President's Perspective. (continued)

Remember to sign up to work the Trout Derby and don't forget to take some time to fish the derby too. We would love to see a SAE member on the Winner's Board. Speaking of Boards, our annual elections will be held at this month's meeting. We still need candidates for President, Fresh Water VP and Community Events. Please let me know if you are interested.

I also want your ideas for next year's camping trips and scheduling. As some of you have seen, we have our first trip of the year set for January 23 through January 28 at Yucaipa Regional Park. Let KT know if you want to join.

Last but not least, sign up for the Fall Feast later this month and for the Annual Banquet in December. As I said, there is so much fun ahead. I am looking forward to seeing you at the meeting and participating in one or more of the special activities.

This hasn't been a great year for Saltwater fishing. Hopefully, next year, the water and the weather will bring us a boom year, and we'll have lots to report.

LAKE DIXON TROUT DERBY AND KIDDY POND

Volunteers Needed for Kiddie Pond construction, Derby scale, and Kiddie Pond

This year's event is the weekend before Thanksgiving. The kiddie pond construction will be on Monday, November 18th, at 3:00 pm, usually lasting two hours at most. It will be a lot of fun.

The Kiddie Pond (and Lake) stocking is scheduled for Wednesday the 20th. Many people come every year to watch. The stocking is generally about midday, depending on the highway traffic.

Kids get a chance to catch some nice trout on Saturday (morning 9-11 am and afternoon 1-3 pm) and then again on Sunday (9-11 am and 1-3 pm). Although Hidden Valley Kiwanis and the local high school Key Clubbers will help, we need a lot of help here. Generally, there are six people per shift.

The fishing derby is a big deal. There should be \$1500 in prizes for several categories (there is a category for seniors, incidentally). We need two volunteers at the scale station: one to weigh contending fish and the other to witness and record each entry. The derby starts at 6 am and runs until 5 pm. The actual hours may be edited because of lake fishing regulations and the end of daylight savings time.

The club needs everyone to pitch in. While six experienced members have signed up already, we could use 10 or 12 more.

Typically, volunteers receive vouchers for a boat and permits from the city and some breakfast and lunch from the Kiwanis. The next club meeting, November 8th, will be the last chance to sign up before the event.

The Anglers need ***YOU !***

Members, we are still hoping for some of you who would like to get a little more involved with the club, to give us a call. We'd be happy to explain what each of these positions entails and answer any questions.

SUNSHINE

Ron Bloom lost his wife, Linda, in early October after a long illness. We sent a sympathy card on behalf of the club.

We sent a Thinking of You to Dawn Shultz, who encountered health issues on our trip to the Sierras in September. She is doing well. We also sent a card to Colleen Wilson, who had cataract surgery in both eyes at once!
