SAE OUTLOOK

Many of the club members are just returning from the "winter wonderland" known as the June Lake outing. During their stay at the Pine Cliff campgrounds, they experienced a number of mornings that were chilly (no cold!!). The cold had a minimal effect on fishing with 150 fish being caught for the week. The largest fish, a 5 pound 2.6-ounce rainbow trout was caught by **Cheryl Brandstrom**. This surpassed a 3 to 4-pound trout that **Cheryl** caught earlier.

During the week, **Ray Bevan** turned 94 years old. Happy Birthday Ray!

LAST CHANCE; to win the surf fishing rod valued at \$300 including a reel in the SAE Club Surf Fishing Derby for 2017. The cost to enter is \$10. If you have not joined, contact **Don Continelli** or you can come to the location, North Ponto State Beach, Life Guard Tower No. 28, at 3:00 PM, October 23. You can also just come to watch. The fish to beat weighs 15 ounces.

Each year the SAE club gives a plaque to the largest Class I and Class II fish caught during the year for both freshwater and saltwater. To apply, fill out the "Large Fish Documentation" form found on our web site at www.senioranglersofescondido.net or in the last page of the Hook, Line and Sinker newsletter every other month. The deadline for this form is November 1. The forms are simple and require a picture of your catch.

The annual dues of \$15 for 2018 are due by December 1. Please turn in to **Cheryl Brandstrom**.

OCTOBER SPEAKER

With Lobster season opening on September 30, there's no better time to explore the opportunities to go after the water bugs. Geoff Hunt, owner of Oceanside-based LP Fishing and Lobster Port Trap Company, will be speaking at our October 13th meeting.

The Lobster Port Trap Company is the largest manufacturer of lobster and crab traps on the West Coast. For the recreational lobster angler, Hunt will go over the difference between flat drop nets and hoop float nets, bait cages, and new regulations affecting the season from the Department of Fish and Wildlife.

UPCOMING TRIPS

Cuyamaca/Pinezanita October 15-20 **Larry and Betty Allen** will be our Wagon Masters. This is a great time to go up to the Julian area. The weather is usually pretty nice and we have caught some great fish at this lake.

Santee Lakes November 5-10 **Tony and Monique Smock** will be our Wagon Masters. This will be our third trip to this lovely campground. The sites are pretty good and we have use of the club house (if we have enough people), which is great for our potlucks and games in the evening. It's also close to town, so YoYo night offers good opportunities for dinner out.

Lake Yucaipa -January 2018 Dates to be determined.

Lake Morena—March 2018 **Cheryl Brandstrom** will be our Wagon Master and Marge Lovelady will be Assistant Wagon Master for this fun trip. Dates to be announced.

Lake Isabella—March 21-27, 2018 **Bob and Priscilla Melton** will be Wagon Masters for this outing. The Lake Isabella Fishing Derby is Friday March 24—Sunday March 26. That will give time to scout out the fishing areas. You will be able to sign up for the Derby online. The local KOA has agreed to give us a nice discount for both campsites and cabins. We will provide those details next month.

LARGEST FISH YTD 2017

Class I: Cheryl Brandstrom – 5 lb. 2.6 oz. Trout

JUNE LAKE TRIP

Report by Linda Perdue

Twenty-one of the SAE enjoyed our June Lake Campout at Pine Cliff Resort. Our longest time (26 years) member, **Ray Beven**, and first time campers, **Larry and Marci Kress** joined us. We were also pleased to see **Ron and Carol Parker** and **Paul Lorson**.

Ron, Carol and Paul

Larry and Marci

Ray Beven catching fish right before his 94th birthday.

It was a success with 150 fish being caught. **Cheryl Brandstrom** was the fishing derby winner with a 5 pound 2.6-ounce rainbow trout. **Warren Estes** was the runner-up with 1 pound 6-ounce rainbow trout.

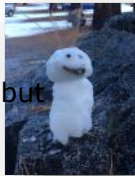

Anitra Gehrke left her appendix behind in Bishop on their way up. What a trooper!

Some ladies did their quilting and sewing. Some worked on individual projects while others made wine bottle carriers and Halloween table runners. Our morning walkers braved the cold. The men played poker.

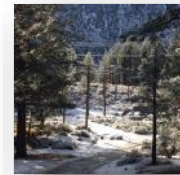

Marge, Betty and Marci, out for a walk.

Camp Mascot, created by Paul

We experienced very windy, cold weather, but enjoyed some beautiful snow!

As usual the meals were delicious.

Everyone's willingness to pitch in and help out made it easy for the Wagon Masters and Assistants.

Our Wagon Masters and Assistants! Thanks for a great job.

SALT WATER

Well it's October and the fish are still biting. **Steve Palmer** brought in a very nice Bluefin Tuna on the Vagabond **Bob Lage** family trip Sept 11. Congrats **Steve!!**

The 3/4 day boats are still catching yellowtail and Dorado. The weather was a bit rough offshore but has calmed down. So go fish:)

SURF FISHING

Report by Don Continelli and Ken Harrison

From the shores of South Ponto State Beach . . .

Eleven Surf Fishing Tournament competitors fished this September 11 in front of Lifeguard Tower 21. We started off the day at 7:00 a.m. with breakfast at Tip-Top Meats. This place has become the favorite eating location.

The weather and surf conditions were great. Three fish were landed. I had the largest, an 11oz. Barred Perch. **Bill Modi** caught a 7oz. Corbina, and **Jeff Routsong** a 3.4 oz. Barred Perch. Jeff used squid, and I used a bloodworm. I'm not sure what Bill caught the Corbina on.

Paul Lorson joined the yearlong Tournament, pushing our Tourney participants to 23. Welcome Paul! Ask **Frank and Pat Mancha** about their drive down from San Bernardino. What a great couple they are . . . and they were still smiling when they arrived.

Hope the weather stays warm for our next, and possibly last, 2017 Tournament on **October 23 (NEW DATE** – due to the club's Pinezanita Campout week). We'll meet at Tip Top Meats at 8:00 a.m. for breakfast. Then we'll head over the North Ponto beach, near Lifeguard Tower 28 (north of Carlsbad State Beach Campground.) by 9:00 a.m. (High tide will around 12:30.) This is the site of August's Tourney where almost everyone caught fish. It's not too late to join us for a chance to win the Bill Varney Signature Model 8.5' Surf Rod (value \$300).

LARGE FISH TO DATE 2017

Class 1 **Jim Reeser** 11.11# yellowtail

Class 2 **Steve Palmer** 141.3# Bluefin Tuna

Please get your Current Fish Report to me before the meeting. You can find the report at the end of the newsletter or on the web site.

The sardines are back in Cabo and the fish are large and hungry. So those going should be very happy.

Salt Water Vice President
