SAE OUTLOOK

With summer drawing to a close, grandkids going back to school, we are looking forward to the fall.

Saltwater fishing is outstanding. Remarkably half day trips and three-quarter day trips are catching yellowtail and yellowfin tuna. The autumn season is expected to be one of the best on record. Incidentally the Senior Anglers of Escondido (SAE) have a three-quarter day trip scheduled on the Chubasco II for September 13. A few spots are still available. Contact **Barbara Gattuso** at 858-774-6724 to reserve your spot.

During the past month **Glenn Foss** established a new SAE club record for the largest White Sea Bass, weighing in at 50.5 pounds. This broke the club record by more than 34 pounds. **Glenn** also caught the largest Class I fish for the month of August. CONGRATS to **Glenn**.

Bob Lage caught a halibut that weighed over 70 pounds. Good job **Bob**!

Liz Farrar and **Janet Skaja** did an outstanding job with the fish fry. Good food and good times were had by all. Thanks again **Liz** and **Janet**.

The following outings are scheduled for the remainder of 2016:

June Lake, Sept. 18-22, contact **Linda Perdue**, 760-535-3877

Lake Hemet, Oct. 17-22, contact **Betty Allen**, 858-485-6926

Santee Lakes, Nov. 14-18, contact **Joann Jauert**, 619-218-5992

Don't be surprised when a member of the nominating committee contacts you. Nominating committee members include **Karen Taylor**, **Anitra Gehrke**, **Betty Allen**, and **Jim Stevenson**. Please consider a position on the board.

PROGRAM

KAYAK FISHING WITH JIM SAMMONS

Jim Sammons, a leader in the sport of kayak ocean fishing, will be presenting at the September 9 meeting of the Senior Anglers of Escondido.

Sammons, of **La Jolla Fishing Adventures**, guides enthusiasts to catch the usual inshore species, but also Dorado, Marlin, Thresher Shark, and Rooster Fish. Sammons has taught kayak-fishing classes throughout the world, and has appeared on numerous outdoor TV shows. In 2008, he set the state's kayak fishing record of a 60-pound Dorado.

LARGE FISH FOR 2016

Class 1: 6 lb. 15 oz. Trout	Jim Stevenson
Class 2: 6 lb. 14 oz. Trout	Warren Estes

UPCOMING TRIPS

June Lake / Pine Cliff - Sept 18 to 25

John and **Linda Perdue** are Wagon Masters for this great trip and **Al** and **Colleen Wilson** are Assistants. Campers who are staying the whole week have a **CASH** balance of \$137.40 due at time of check-in. Please bring firewood. Unfortunately, **Ken Harrison** is not able to do a comedy routine in June Lake, so those interested in a group YOYO night will need to decide if there is another venue of interest. Maybe next year, Ken!! If you want to go and haven't signed up see or call **John** or **Linda**.

Lake Hemet - Oct 17 to 22

Betty and **Larry Allen** will be the Wagon Masters for this trip. It's close to home, but you'll feel like you're in the mountains. More information and sign-ups at a later date but you can mark your calendars now.

Santee Lakes - Nov 14 to 18

Joann and **Larry Jauert** will be Wagon Masters for this close-to-home outing. There are two sites reserved for SAE that are currently available. We have access to the Club house. Trout will be stocked on Nov. 5 & 6. This RV outing is the closest to Escondido. The Santee Lakes have easy walking access. Call **Joann Jauert**, 619-218-5992 for more information.

SALT WATER

OCEAN FISHING

The blue fin and yellow fin are biting on the local 3/4 day boats. Dorado are also being taken.

Our first all day trip August 1 was a very nice trip with calm seas and sunshine. Several yellow tail were caught at the Coronado Islands along with a mixed variety of bass and barracuda. The Class 1 jackpot went to **Glen Foss** with his 18# yellow tail.

The Class 2 fish went to **Bob Lage** with his 70# Halibut taken from Queen Charlotte BC. Congrats to both.

In July **Glenn Foss** caught this 50.8 lb. White Sea Bass on a **1/2** day boat.

SURF FISHING

Our August Surf Fishing outing was on Monday, August 8th, at South Ponto State Beach. **Ken Harrison** and **Don Continelli** were joined by new members **Ron** and **Iris Horak**.

The conditions weren't too good. There was a heavy overcast that kept it pretty cool.

Ron started it off with a 2 oz. surf perch fishing an artificial sand worm and **Don** followed up with a 4 oz. perch using the same bait.

Our fish count for this season is about 5 - 7 fish and considering this is surf fishing, that's not bad.

September 12th Surf Fishing meets at 7:00 a.m. at Cap't Keno's, 158 N. Coast Hwy. 101, Encinitas, for breakfast, then on to Cardiff State Beach, just south of the Chart House, near lifeguard tower 13.

WHITE SEA BASS HATCHERY

We are still signups for the Scripps Seabass Hatchery Tuesday September 6 at 10:30AM with an optional lunch at Tip Top following the tour.

FISH FRY

The Fish Fry was a big success. Close to 60 people enjoyed a lovely evening, with nice weather, good food and company. Thank you much to the **Farrar's and Skaja's** for their great job in organizing and creating such a special event. **Gary Farrar** made these great wooden fish for decor and some lucky people got to take some home. Also, thanks to all those who helped in so many ways, including set-up, cooking, clean-up and bringing great side dishes and desserts. Its always a team effort.
