# HOOK LINE & SINKER

## President's Perspective

September is such a refreshing month. The summer heat is starting to yield to fall temperatures. The freshwater anglers have started their monthly treks to the lakes for fun, fish, and food. Salt water fishermen still are finding fish both in the surf and the deeper ocean.

I want to thank Bill and Karen Kirchnavy for being the Wagon Masters of the June Lake trip. This kicks off the year and (to use golf terms) is our "Signature" outing of the year. The beauty, the number of lakes, the variety of fishing techniques used, and the number of fish caught make this the premiere activity of the year.

This is not to say everything goes down hill from here on. October has us going to Lake Cuyamaca and staying at the Pinezanita RV Park outside Julian. It's always a fun trip with plenty of fish waiting to be caught. Larry and Betty Allen are the Wagon Masters. Contact them to get signed up.

Don Continelli has schedule a surf fishing day on the 23<sup>rd</sup> and Barbara Gattuso has arranged for the salt water fishing.

Our Nominating Committee is getting the final roster of candidates to fill our Board for next year. Please be responsive to them as they will be responsive to you if you contact them and show an interest in serving on the Board. It's the Board that sets the tone for the Club. Your ideas are both needed and welcomed.

My personal congratulations go to Carl and Dottie Arnold for their celebration of their 60<sup>th</sup> Wedding Anniversary.

*Keep your feet dry and lines wet.*

President

### September 2011

#### FISH AND GAME REPRESENTATIVE TO DISCUSS CONSERVATION PROJECTS AND POSSIBLE BUDGET CUTS AT ESCONDIDO ANGLERS MEETING

Recent legislation and budget cuts have had a major impact on hunting, fishing, and wildlife conservation in Southern California and San Diego. With these issues in mind, the Senior Anglers of Escondido have invited Steve Wertz of the California Department of Fish and Game to inform and clarify new legislation and regulations and how they affect anglers and local citizens. Wertz is scheduled to speak at the Anglers meeting on Friday, September 16.

Wertz is connected with the Marine Region, which serves the entire California coastline from border to border, and three nautical miles out to sea. He plans to discuss new fishing regulations, policies, license procedures, conservation, and resources available to California anglers.

He also has been a member of the Master Plan Science Advisory Team for the Marine Life Protection Act (MPA) which will include marine parks offshore including La Jolla, Imperial Beach, Point Loma and other spots. The act is scheduled to take effect on October 1 of this year. Under the Marine Life Protection Act, the 49 MPAs and three special closures cover approximately 354 square miles of state water in Southern California and represents about 15 percent of the region.

The Senior Anglers of Escondido have many civic projects including taking an active role to preserve Palomar Mountain State park as recreation and fishing area for local residents. Members also organize several community projects including youth activities, fishing projects, and related civic efforts. The club is open to the public and meets the third Friday of each month at the Joslyn Center in Escondido. The program starts at 9:30 AM.

#### NEW MEMBERS

JIM CARPENTER

JOHN & LINDA PERDUE  
San Marcos, CA

We had 2 new members join in August. Jim Carpenter and John and Linda Perdue. Look for them at the September meeting to welcome them to the club.

A special thanks to Alice and Bob Lage for being August buddies; and Jim Roy for greeting in August. I forgot to thank them in advance. My September greeters are Charlotte Heath and Gary Vanderlyke; my buddies are Vern Blaney and Jack Flaherty. Thanks in advance to you.

The attendance award came from **Escondido Country Club** and was presented to **Dan Kay**.

About 14 of us had a great lunch at B.J. Brewery and a chance to talk and learn what everyone was doing.

It is time for each of you to check what is printed in the DIRECTORY under your name. see if your picture is next to your name. All of this information is on a computer disc and I can correct it in the next few months for next year. See me at the back table if you want a new picture. If anyone can tell me how to label pictures when I put them into a folder let me know. I still don't have a clue on pictures and how to move them around.

### TO SENIOR ANGLERS OF ESCONDIDO MEMBERS

#### Regarding Newsletter Delivery:

The Hook Line and Sinker is a great forum for keeping up with the latest club activities. It is informative and entertaining and I think we all enjoy reading it each month. As you know, it is available on line at our website, and is pretty easy to access. We have had, however, a significant increase in requests for having the newsletter delivered via mail. With the increasing cost of paper, printing and postage this has become very costly. As we look forward to 2012, the Board is considering charge of \$5 per year for mailing the newsletter. This is less than the cost, but will help to offset some of the expense. As always, your input is welcome and appreciated.

Treasurer

## SALT WATER

SEPTEMBER, 2011

The Bluefin Tuna are finally here. Some of the ¾ day and overnight boats are getting a few with limits on the 1 1/2 day boats. Now is the time to grab your tuna stick and get on a trip. We have a trip going out September 11,12,13. I will report on the trip at the next meeting.

The next one is a 2 1/2 day going out October 9-12. Call Charter Master Gordon Calvano to see if there's space. (760) 729-3523.

A Panama or Costa Rica trip is in the planning stage.

Call Don Continelli if you want to go Surf fishing (760)742-3691 or e-mail [djcont@aol.com](mailto:djcont@aol.com)

Also we have several people who are due to renew your CPR/AED cards. If you want to be recertified with the NEW CPR Guidelines I will have a class in November and take signups at the September and October meetings. The cost is \$10 for the cards. Look at your cards and see if they are expiring. If you don't have a card and want to get certified join the class. This class is normally \$40-\$50.

## 2012 BOARD OF DIRECTORS

**The Nominating Committee** for our club is seeking volunteers that would be interested in serving on the 2012 Board of Directors. We will be having elections at the November General Meeting. Having served on the Board of Directors for several years in various capacities I can truthfully say that it has been very rewarding and enjoyable working with the leaders of the Senior Anglers of Escondido. Helping to determine the direction of our club and having the satisfaction of seeing different projects/activities implemented and usually succeed has been gratifying.

If you would like to get more involved and/or have questions about helping on this coming years Board of Directors please call one of the Nominating Committee Members. We would be more than happy to answer any questions you have regarding this subject.

Thanks for your consideration.
