PAST PRESIDENT

I don't know if anyone noticed but August was one hot month. Hopefully September will cool down a little.

At our August meeting we had a very good turnout of members and guests. They were all treated to a very interesting talk by Ray Koetter on Diamond Lake. Big lake, good fishing and close; so give it a try. Our thanks also to **Bob Lage** for sharing about his and **Alice's'** recent trips to British Columbia and the Eastern Sierras on their fishing adventures.

We also had a vote about moving our meetings from the 3rd to the 2nd Fridays of the month. The change was approved by a majority vote. so starting in January 2013, we will be meeting on the 2nd Friday of the month. Please put a reminder on your calendar. I will also have a reminder in the newsletter. It is that time of year to contact members to serve on next years board for some of the positions that are being vacated. I have asked **Ron Parker, Dave Martinez** and **Dave Gehrke** to do this for the club. So, if you would like to serve in any capacity please contact them or me.

I have some sad news about on one our long time members. **Bill Takamoto** passed away on August 2. He will be sorely missed by all. Our sympathy to **Sue** and their family.

Only a couple of big things happening this month. June Lake and a saltwater trip. **Gene and Marge Lovelady** will be Wagon Masters for June Lake, September 9t to 15th and **Barb** has a 1 1/2 day saltwater trip set for the 16th and 17th. **Karen** and I will miss June Lake this year as we will be enjoying the fall colors on an East Coast Cruise. Wish we could do both. We hope the weather is great for all.

Keep the wind at your back and your lines wet. Happy Fishing

SALT WATER

Fishing had a slow start but now is AMAZING.

The August 20 11/2 day trip on the Voyager had 14 anglers and caught 51 Bluefin tuna in the 30-40# range ,28 Yellowtail 10-12# range and 12 Dorado about 15# range. That's a very nice catch at the 50-60 mile tuna pens.

We have one spot left on the 21/2 day trip Oct 12-15. It won't last long so call Paul Montgomery to get your bunk at (760)941-9064. The cost is \$477. which includes all meals.

Other Trips and Outings

The Belize trip is finalized and the dates are June 15 to 22 2013. More info at the next meeting. This is a FUN PACKED TRIP. Fishing and Non fishing. A few new surprises in 2013.

The Hubbs Sea Bass tour with lunch at Tip Top is Monday Sept 17 with lunch at 11:00. Car pooling is suggested.

The Tuna Legacy History tour is Oct 9 and is full. This is a private tour for us so if you haven't paid your \$5.00 please do so at the next meeting.

The Cabo trip is full and we are anxiously waiting to catch the Big ones:)

Our **Viejas Fundraiser** is going well.

NOTE: The meeting place has changed to the Josyln Senior Center due to the Del Lago Park and Ride being closed for renovations.

This is our big fundraiser for the year so sign up, bring your friends, have fun and SUPPORT OUR CLUB!!!!

IMPORTANT NOTICE

The Nominating Committee for our club is seeking volunteers who might be interested in serving on the 2013 Board of Directors. We will be having elections at the November General Meeting. Having served on the Board of Directors for several years in various capacities I can truthfully say that it has been very rewarding and enjoyable working with the leaders of the Senior Anglers of Escondido. Helping to determine the direction of our club and having the satisfaction of seeing different projects/activities implemented and succeed has been gratifying.

If you would like to get more involved and/or have questions about helping on this coming years Board of Directors please call one of the Nominating Committee Members. We would be more than happy to answer any questions you have regarding this subject. Thanks for your consideration.

COME JOIN THE NOVEMBER FUN

Hop on Board for the Viejas Casino/Shopping Trip November 19

We will meet at the Joslyn Senior Center in the morning and return late afternoon, hopefully with some winnings and/or some great shopping buys from the outlet center. Just in time for the Holidays!

The cost is only \$12 per person.

Turkey Fry and Silent Auction November 7

Mark the date! The annual *Turkey Fry* is just around the corner. **Will Cozzens** is lining up the Turkeys and the helpers. **Cheryl Brandstrom** will have sign-ups for side dishes and desserts, and set-up and clean-up at the next meeting.

This year we will be having our first **Pumpkin Pie Contest**. Put the word out! A first and second place winner will be announced with a prize.

Gene Erwin and Roy Roque will be handling the *Silent Auction*. It's a great time to clean out those drawers and closets. It's a win/win situation. You get rid of stuff you don't want, someone gets something they do want and the club makes a little money! The more items we have, the more fun the Auction for everyone.

Can you help us with big TROUT?

Big Nebraska Tailwalkers will soon be planted in Lake Dixon. When? Just before **Friday November the 9th through Monday the 12th** and in time for the City of Escondido Trout Derby. At least 4,000+ pounds of these beautiful fish will be stocked for the derby and the Senior Anglers of Escondido again will be doing all the registering, weighing and maintaining the scoreboard for this tournament.

We need your help with all of the above, so give us a few hours and join your fellow members for a fun morning or afternoon. Oh, I didn't mention, you'll get **two free fishing passes** and a **free boat permit** to use at your convenience. Can't beat that and our club helps the Park Rangers and our city.

Help our club help the city!

Help the club & have fun!

Sign up Today!

If you haven't participated in the past you don't know what you're missing. The camaraderie between our membership and the chance to project to the public our clubs fishing and leadership qualities will amaze you. Our help allows the Rangers to patrol, assist in safety and other enforcement at the lake. Also it's fun to be involved with other anglers to see and hear the fishing stories first hand. We record the baits used, where the fish are caught, weigh the catch and hear all about the details of the experience. This can be very helpful learning about the lake, where the fish gather and what they're feeding on.

So don't wait, **give us a call** and get on the list. We have four days and two shifts each day to offer you so check your schedule, give us a call and select a spot. Love to have you and I know you'll enjoy your time with us.
