

HOOK LINE AND SINKER

PRESIDENT'S PERSPECTIVE

It's December and my 1st year as your President is coming to a close. For me it's been a busy year, yet both fun and rewarding. I'm writing this just after the Annual Awards Banquet. Everyone looked so elegant and handsome. (I hardly recognized some of the people they looked so good). So many people were recognized for the work that they have done for our Club this past year. Besides our 2010 Board of Directors, the Wagon Masters (McGregor's; Norm Martineau's; Gehrke's; VanVoorst's; Green's; Taylor's; Allen's; and Estes'), the Outings (Casapulla's; Norm Martineau's; Kirchnavy's; Hughes), and The Special Events (Gattuso, Parkers, Cozzens, Lage's; Continelli's; and both Martineau's) were honored. Carl Arnold installed the new Board with his usual wit and charm.

Special Thanks to Sharon and Kathy Martineau for organizing this event and to Ron Parker for being Masters of Ceremony.

The Banquet was serenaded by the Calvin Christian School's Musical group called the "Faith Expression" under the direction of Vicki Van Essen. What a fine group of young people they are and they sang so beautifully. The top honors of the night went to Will and Bev Cozzens who received the Founders Award. Anitra was awarded the "Female Angler of the Year". Both awardees were selected by the past 3 recipients of the award. My congratulations to them.

I would especially like to thank the Outgoing members of the Board for the service they have provided. Bob Posten has selected outstanding speakers this year. George Martinez has kept our treasury balanced with his Raffles at both the General Meeting and picnics. We will miss his humor and enthusiasm for the job. Of course we have "appreciated" our Parliamentarian, Thomas Martinez, as he collected that quarter for not wearing the Angler Badge and for his famous question, "Are you having fun yet." I especially wish both Tom and Carmen the best as they deal with their medical problems. I am so pleased that the remainder of the Board have agreed to serve another year. Under their leadership our club will have another very busy year.

MEET OUR MEMBERS

Barbara Gattuso

Barbara has been our Salt Water Vice-President for the past 2 years.

- ▶ **Dave:** Not only are you Salt Water Vice-President, but you really like to fish in the Ocean.
- ▶ **Barbara:** I love ocean fishing. I probably go out 10 – 12 times a year.
- ▶ **Dave:** Do you ever get sea sick?
- ▶ **Barbara:** I would all the time, but I take Meclizine and it really helps.
- ▶ **Dave:** How did you get interested in fishing?
- ▶ **Barbara:** I was an only child so my father treated me like he would a son. We would ice fish in the winter and this was before augers and fancy shacks on the ice. In the summer we would fish and canoe in several lakes and rivers around the Chicago area and Wisconsin. He also taught me to shoot skeet and trap and other related activities.
- ▶ **Dave:** You belong to the Rancho Bernardo and Oceanside clubs also. What made you want to join our Escondido club?
- ▶ **Barbara:** This club has so many friendly people and I like all of the activities. I took the Vice- Presidency because I like organizing things and wanted more people to enjoy salt water fishing.
- ▶ **Dave:** Any new things on the horizon?
- ▶ **Barbara:** I'm organizing a salt water trip to Belize, which is a country just south of Mexico on the Caribbean side. It will take place in June, 2011. We will have the Cabo trip begin on Friday, Oct. 28, 2011.
- ▶ **Dave:** Your house burned down during the wild fires 3 years ago. How's it going?
- ▶ **Barbara:** We lost everything I lost all of my fishing equipment, my clothes, everything... and it was only a week away from the Cabo trip. However with the help and support from our many friends, I went on the trip.
- ▶ **Dave:** I know your dad, Ed Windsor, passed away this year. You and he were very close.
- ▶ **Barbara:** He was and still is so important to my life. Fortunately my strong faith in God and the support of my husband Greg have provided me strength in dealing with Dad's passing.
- ▶ **Dave:** You have headed up the AED project and have conducted 1st Aid Classes.
- ▶ **Barbara:** I really have enjoyed doing that as I feel the more people are trained in these activities, the better we will all be.
- ▶ **Dave:** It's been a pleasure working with you these past 2 years and am pleased that you will continue as our Salt Water Vice-President.

News from the November meeting:

The attendance award went to Don Hunter and it was to the Olive Garden. About 20 members went to the Olive Garden for lunch....yum!

January Greeter will be Jim Roy and buddy will be Tony Johnson. Thanks for helping out.

We had 11 guests at the November meeting and 3 new couples joined the club. We really need a few more active members willing to take the new guests around and show them all of the activities they can get involved in, 2 buddies couldn't handle 11 guests all at one time. If you see a new face, please take time to talk to them. It isn't much fun to walk into a group of 69 members that already know each other.... Thanks for helping out! We have 217 total membership now.

YOUTH DAY AT LAKE DIXON

We are in the process of scheduling our 4th annual Youth Day at Lake Dixon . The exact Saturday will be determined later but we will be trying to hold the event the end of March or the first part of April. We will be meeting with the YMCA Staff after the holidays to work out the details.

If you are interested in becoming part of the planning committee please send me an e-mail or call. Also we will be needing volunteers for

Youth Day in various areas. We'll need help cooking, serving, fishing guides, and many other areas on that fun and busy morning.

I will have signups at the next General Meeting, January 21st. Please join in the fun that Youth Day offers. Become involved with one of our clubs most gratifying projects of the year. Looking forward to working with you.

October Freshwater Report

Trip report: Lake Hemet

Warren and Nat Estes hosted another good campout. The weather was great, food was great, fishing was so-so. Lots of fish (83 trout) but no real big ones. Our president Dave Gehrke won the jackpot with a 1 lb. 5 oz. rainbow.

Next trip:

Lake Cahuilla, Jan. 24-28, 2011

The McGregors are Wagon Masters again. If you haven't made your reservation yet, you should do so soon. Contact Mac or Linda for help.

Upcoming trips: Lake Morena, Feb. 21-25

Norm and Cathy Martineau are heading up this trip. This is the lake where we have caught big trout. Also it is fairly close, about 85 miles from Escondido. The ladies love it too because should there be some bad weather, they have that nice gazebo to gather in. It's not bad for dinners on chilly nights either.

Other news:

As of Dec. 4, lake Wohlford is open for trout. This seemed to be the popular spot for club members to fish on Thursdays in the past.

I hope to see you all out there.

SALTWATER REPORT

The Cabo trip was a great success. Everyone went home with at least 50 pounds of fillets and had a wonderful time. The weather was perfect, calm water and lots of shopping, massages and fantastic food. Doesn't get much better than that.

Next year's Cabo trip will be Oct 28- Nov 2, 2011. Mark your calendars now.

No Shoes, No Shirt, No Problem---Belize It!!!

I am planning a trip to Belize/Ambergris Caye April 28-May 5. Save the date for a trip of fishing, zip lining, snorkeling, scuba diving, cave exploring, Mayan Ruins, Rum Punch and more. More info to come. This trip will be a limited number of people.

The next overnight saltwater trip is [Dec 26-27](#). It's limited to 16 anglers. Cost is [\\$160](#) including all meals. Mexican permits sold on the boat for those that don't have one.

Phone Paul Montgomery (760) 941-9064 to see if space is available.
