HOOK LINE AND SINKER

President's Perspective

Things are slowly coming together for the year. We're adding a lake for our fishing and camping pleasure. It's Lake Cachuma. It's located inland from Santa Barbara. For years we've wanted to go there but they would not take reservations. Starting this month they will take reservations.

The dates of the campout go from March 30 – April 6 (Wed. through Wed.) Carl Arnold is the Wagon Master so it should be a fun week. We continue to look at Lake Lopez, but it still cannot have trout plants due to the lawsuit against it. The future looks bleak for Lopez as a trout lake.

The first of our picnics will be held on Wed. April 27. It's the Italian Fest under the cooking of Ron Casapulla. The food is always great and the socializing makes it a really fun time.

Last month's newsletter had a listing of the largest fish by specie caught by a club member from inception to the present. There are many other species caught but never recorded and larger fish caught in any one specie but never recorded. Our goal this year is to start recording and submitting these fish so our current members can be recognized. In order to get the weights (scales) standardized keep in mind the following:

- Ocean boats scales and ranger stations on lakes can be used as official weights.
- Your own scale can also be used if it is standardized against the club's scale. To do this just bring your scale to a meeting or outing and get it checked out and recorded. Bob Taylor and I can do this for you.

Trout plants at Dixon and Wohlford will be on Feb. 23, Mar. 9 and 23 for this and next month.

The Kiwanis Trout Derby is April 30 and May 1.

The year started out with the following Directors:

Apparel Al Green

Saltwater Will Cozzens/Armond Martineau

The meetings being held:

Board Meeting	7:45 AM 3 rd Friday of each month
General Meeting	9:30 AM 3 rd Friday of each month (except December)

The Club had a well rounded slate of Saltwater Activities & Freshwater Fishing Trips scheduled throughout the year along with several outings such as the Annual Spring Picnic, Annual Fish Fry, Turkey Fry and Silent Auction, and the Awards Banquet in December. During the year we had seven camping trips two with very good turn outs, Lake Hemet and June Lake. We also continued to use Pinezanita Campground, a short distance from Lake Cuyamaca. Thanks to Barbara we used a joint venture with the RB Anglers Club for our salt water fishing. Barbara also organized a repeat trip to Los Cabo, Mexico. Lake Hemet was also used again. Sadly we lost some members and others had successful surgery.

Many thanks to all the people responsible for and participating in making all the events a huge success. The club started out in January with a total of 99 members 183 memberships and ended up in December with 114 members and 211 memberships showing an increase of 15 members (some members were late in signing up). The buddy system was continued. Guests are greeted at the door and escorted around the club to see its offerings and meet other club members.

The Public Relations Director Roy Roque saw to it that the club got some exposure in the newspaper and various other newsletters. Not only does this club fish, but it also participates in the various activities of Escondido related to fishing.

- We had our third YMCA Youth Fish- Out at Lake Dixon and also helped with the Escondido Trout Derby at Lake Dixon.
- The Club celebrated its 35th Anniversary, at Lake Dixon Picnic. The club received a Certificate of Recognition from the Mayor of City of Escondido.
- The Web site was expanded.
- The News Letter was published via e-mail.
- We expended getting sponsors to support our Directory.
- Quilts were given to residents of Mary's House.
- We worked with Lake Wolford Rangers to teach all ages the techniques of fishing.
- We did training on how to use the AED machine for first aid.

The annual awards banquet was held on December second at the Escondido Country Club and was a huge success. Many thanks to Kathy Martineau & Sharon Martineau. We got involved with Meals On Wheels to provide basic necessities for their needy clients.

MEET OUR MEMBERS

By: Dave Gehrke

Paul Lorson

Although Paul is one of our newer members, his presence has been noted to the point that he can be called our **Webmaster**.

- ▶ Dave: We're certainly pleased to have you as a fellow Angler. How did you hear about the Senior Anglers?
- ▶ Paul: I've known about the club through my wife's parents, Ray and Aileen Beven. They, along with the Lambs and the Ostrows, have talked up the club for years.
- ▶ Dave: Your wife, Julie, is a 4th generation Californian. How did you meet her?
- ▶ Paul: I saw her at the local bowling alley when I was in High School. I arranged to bowl in the adjoining lane. We've been knocking down pins and pulling up fish for the past 36 years.
- ▶ Dave: You're a long time fisherman?
- ▶ Paul: My parents had an RV. We would go out many weekends each year to the local lakes and the Colorado River. I love catfish, bass, and pan fish. We didn't fish for trout until recently.
- ▶ Dave: What is your favorite destination with the RV?
- ▶ Paul: We love "The Loop". That's going up California into Oregon. Then into Idaho, Wyoming, and Utah. We end up in Arizona before coming back home. We sight-see at many National Parks, Fish in many rivers and just relax in the gorgeous scenery.
- ▶ Dave: Do you enjoy ocean fishing also?
- ▶ Paul: I started out surf and ocean pier fishing. My first time on a boat got me really seasick. Fortunately that was my last time. I try to ocean fish 2-3 (?) times per year.
- ▶ Dave: You're our Webmaster and doing a fantastic job.
- ▶ Paul: Ron Parker encouraged me to look at our web page and try to expand our use of it.
- ▶ Dave: How do you know so much about computers?
- ▶ Paul: I earned a degree in computer science from Coleman University right here in San Diego. I am currently working by helping companies improve their efficiency by effectively using computers.
- ▶ Dave: You certainly have helped the Senior Anglers get into the 21st Century. I've noticed you have had a bruised face at times.
- ▶ Paul: Three years ago I was diagnosed with Graves Disease, which is an eye disorder. I've completed 4 operations with 2 more to go. The doctors are pleased with my progress.
- ▶ Dave: And we are certainly pleased to have you be part of the Anglers.

Program February 2011

As part of an annual presentation on local fishing lakes, the Escondido Senior Anglers will feature Lake Poway for this month's meeting on February 18.

The meeting starts at 9:30 AM in the Escondido Joslyn Center. The presenter, Eric Malone, has been fishing Lake Poway for 15 years and he devotes 2 to 5 days a week fishing on Lake Poway. His catches include a 15 pound large mouth bass and other varieties including catfish, bluegill, sunfish, and carp. He plans to give tips on fishing the lake, types of lures preferred, and other notes from his experience.

Lake Poway is about 65 surface acres when full and the average depth is between 30 to 40 feet. The lake is stocked predominately in the winter and early spring and is known to produce some near record fish. The record bass is 18 pounds and the trout record is also 18 pounds. It is a city owned lake and does not require a state license. As a bonus, seniors can receive half price discounts on boats and permits any day of the week.

The Escondido Senior Anglers meet the third Friday of each month at the Joslyn Center, 210 Park Avenue, in Escondido and everyone is welcome. The programs start at 9:30 AM and feature programs of interest to both salt and fresh water anglers.

JANUARY FRESH WATER REPORT

Trip report:

Lake Cahuilla January 24-28, 2011

The McGregors were Wagon Masters again. They provided a great spaghetti feed and overall it was a good outing. We had 12 rigs show up with some new faces. Jim and Susan Stevenson had their first outing with the club. Bob and Ann Hoving are long- time members, but this is their first campout for quite a while. We had good weather this year compared to all the rain last year. Great for the ladies walking and sewing. The fishing was so-so with few limits; Jim Rogers won the derby with a 1 pound 14 ounce rainbow. Daily big catch awards also went to Jim Stevenson and Larry Allen.

Upcoming trips

Lake Morena

February 21-25

Norm and Cathy Martineau are heading up this trip. This is the lake where we have caught big trout. Also it is fairly close, about 85 miles from Escondido. The ladies love it too because should there be some bad weather, they have that nice gazebo to gather in. It's not bad for dinners on chilly nights either. You can call San Diego County Parks at (877) 565-3600 to make reservations. Ask for a senior membership. It will save you a few dollars.

Lake Cachuma

March 30 to April 6

For all of you who enjoyed Lake Lopez, this should be very similar. This is a beautiful lake just out of Santa Barbara, They do not take reservations, but with their large campground at that time of year there should be no problem getting a full hookup site, Carl and Dottie Arnold will be Wagon Masters. They will be taking sign-ups at the next meeting. You can contact them if you have any questions.

Pinezanita/Lake Cuyamaca, June 12-16
We now have a firm date for this outing. Al and Simone will once again head up this trip. They will be taking sign-ups probably at the next club meeting.

OtherNews

I have my first class II entry for the year. John Tester caught a 5 pound 5 ounce rainbow at Lake Wohlford. Nice catch John.
